May 23 - 1892

Board Met in regular Session and the following members answered roll call
J E Gore A B Miller J M Ingerman
J F Ingerman and Jesse A Bailey
Minutes of last regular meeting read by Clerk
Mr Miller made motion minutes be adopted as read seconded by Mr J M Ingerman
Motion Carried

Committee reports were then called for
Mr Miller of the Finance Committee stated he had had a lease prepared leasing lots to Geo Doney but Mr Doney was not entirely satisfied with it for it only run for a period of one year and he wanted it for 3 or 5 years by Clerk and no final of lease was made A gross incloset of rent
Mr Bailey made motion same be approved as agreed upon and the same signed & Sealed by J M Ingerman Motion Carried
Mr Bailey of the Street Committee stated committee had looked at sewer at inter section of Plum and Church Street and it was their opinion that the sewer should be lowered and the diagonal across Plum Street from the west side and empty into old canal basin. Also the joint Committee had met at the water Works and had decided the well should be fixed according to the plans that had been suggested the hole around the house filling should be done also the foundation that stood south of the pumping station was to down and would leave to be passed upon. also that the Main should be looked after and if necessary to have an engineer from Quincy Mr Forrester Civil Engineer at the station. Also had received bids for laying flag stone from Adam under Lebenzahn Bros & the bid had been the right and alleys were cleaned up also the walk to River Side Cemetery and the old Cemetery The Committee met with the Street Committee report the matter of cutting down Poole Street was discussed by the Board and Mr Isaac Ingerman spoke in favor of cutting down Poole Street some 2 feet and to Church st seconded by J M Ingerman
Motion Carried

Mr Bailey Called the attention of the Board to
some Errors in the old records that should be
removed and that Wilbur Morgan records have
the keys of grave permission without any expense
to the Board.

Mr Bailey then moved that Mr Morgan be granted
permission to remove said records
by Mr Ingerman Motion Carried. The
Ed Fallon-ers memorandum of cross walks widths
was then presented and the matter talked over
at length by the Board. Walk on East side of
Walnut Street from north side of Church Street
to south side of Church Street 8 feet in width
Walk on the north side of Church Street from
east to west side of Walnut Street 5 feet in width
Walk on North and South sides of Church Street
from East to west sides of Main Street 5 feet
in width; Walk on South side of Church Street
from east to west sides of Green Street 5 feet
in width; Walk on east side of Green Street
from north to south side of Church Street 5 feet
in width; Walks on North and South sides of
Church Street and East and West sides of
Foobe Street at intersection 4 feet and Other
Streets 5 feet in width; Walk on west side of
Center Street from North to South side of
Church Street 5 feet in width; Walks on the
North and South sides of Church Street across
Center Street 5 feet in width; Walks on North
and South sides of Church Street across
Chestnut Street 8 feet in width; Walk on East
side of Chestnut across Church Street 8 feet
in width, all to be of Cement.

Mr Bailey made motion above memorandums
be adopted as the official width of the Walks
named Carried Seconded by Mr Ingerman
Motion Carried.

Mr Ingerman made motion Wright on South
side of Church Street from Center to Green
be made 5 feet instead of 8 feet. also on the West
side of Walnut Street from Chestnut to Church
Street 5 feet instead of 8 Seconded by Mr
Bailey Motion Carried.

Mr Ingerman then made motion walks
on either side of Chestnut Street be reduced from
six feet to five feet Seconded by Mr [illegible]

Motion Carried.

Motion Carried
The following report from the Special Committee appointed to consider the special estimate of the Civil Engineer was presented
Cass Bridge City Indiana July 11 - 1899
Mr President:
The special Committee to whom was referred the foregoing report and special estimate of the Civil Engineer in the matter of the proposed improvement by Gravel Construction of Eleventh Street from the Center of the Bridge to the Corporate limits of the City and the Construction of Sidewalks on certain described parts of Fifth, Seventh, Jones, Green and Forest Streets Beg leave to report that pursuant to notice given and

proofs of publication of which are attached hereto
proof of publication of the same in the Columbus
City Tribune a weekly news paper, printed and
published in said town and of general circulation
therein, as ordered and directed by a resolution
of this Board adopted at a regular duly held meeting
of the same and place when and where
objections could be filed to said Board upon
the report and final estimate of the Civil engineer
hereto for made and filed in the matter of
said improvement. Which report and considered
said report and final estimate and accorded
to all persons appearing before them a hearing
thereon, and after due consideration thereof
hereby recommend that said report and
final estimate be approved and adopted.
And said Committee recommend that the following
resolution in this behalf be adopted, to-wit:
Be it Resolved by the Board of Trustees of
Town of Columbus City, Indiana. That the upon said
report and final estimate of the Civil engineer
Made and filed herein, by and the same
are hereby approved and adopted. And that
said respective sums so charged against said
respective lots and parcels of ground as
shown in said report and final estimate of
said Civil Engineer together with six per cent
per annum interest thereon from this date
Pay able semi-annually by and the same are
hereby assessed against said respective lots
or parcels of ground in the names of the
respective owners there as shown by said report
and said assessments shall be and constitute
a lien upon said respective lots and parcels
of ground the same as taxes are a lien upon
such property, and the Clerk and the Treasurer
are hereby directed and required to place the
said assessments so made upon the assessment
duplicate and charge the same thereon against
said lots and parcels of ground as follows to-wit:
The assessments against said lots and parcels of
lots, the owners of which have filed their
their promise and agreement with said Board
waiving all illegality or irregularities as to said
assessments shall be charged thereon as follows:

ten per cent thereof for each succession year for ten years, with interest thereon as aforesaid. Said first installment of ten per cent, shall be due and payable when the first tax falls due, and say be added to the duplicate of the assessments, and said other installments respectively, with interest as upon said shall become due and payable when taxes are due and payable each succeeding year thereafter during said period of ten years, and upon default in payment of any said installments the same shall be collectable in the same way that taxes are collectible, or by fore closure or precept and sale as provided by law. And the assessments against all lots or parts of lots the owners of which have not filed such promise and assumes in writing shall be charged thereon and said Clerk and Treasurer shall require the owners of the lots against which the same are so charged to pay such assessments in full immediately and upon default thereof for twenty days the same shall be enforced by precept and sale or by fore closure as provided by law.

And be it further Resolved. That [illegible] be issued for the amount of waiving filed or to be filed thereon, as provided by law, in such manner as the Board of Trustees shall by ordinance hereafter determine.

Signed John E. Egan.
Chairman of Committee

Mr B. F. Engleman of the Law & Ordinance Committee presented the following ordinance viz:

An Ordinance

Providing for the widening of the side walks, re-setting the curb and paving the gutters on North Front Street, both sides thereof, between Walnut and Main Streets in the Town of Cambridge City, Indiana, and declaring an emergency.

Whereas, a petition signed by the resident property owners, owning the North Front Street, between Walnut and Main Streets, representing two thirds the property frontage and fronting on said street in the town of Cambridge City, Indiana, Report & has been presented to the Board of Trustees of said town, asking for a widening of the side walks and re-setting of the curbs and paving of the gutters upon said street. Therefore,

Be it ordained by the President and Board of Trustees of the town of Cambridge City, Wayne Co, Indiana, that the sidewalks on both sides of North Front Street from Main Street to Walnut Street be established at a distance of 12 feet from the curb line thereof.

Section 2 = The gutters along said North Front Street, between Main Street and Walnut Street, shall be made and constructed of brick, flag stones or cement, according to plans and specifications of the civil engineer of said town, on file in the office of the clerk.

Section 3 = An emergency existing for the immediate passing effect of this ordinance, the same shall be in force from and after its passage and publication in a newspaper of said town.

Section 4 = This ordinance shall repeal all ordinances and parts of ordinances in conflict herewith.

Mr B. F. Engleman then moved the adoption of the foregoing ordinance Seconded by M B Miller

The vote being called resulted as follows: Voting were Miller B.F. Engerman J.M. Engerman Gasser McBain and Fire Comp.
The vote to Lisper declared unanimously carried
Mr Stratton Attorney then came forward and stated to the Board that the Long Distance Telephone Co had been granted a franchise by the Council and said he was authorized by his Company to say that in granting the request of the New Long Distance Telephone Co the Board would not in any way be interfering with their contracts and so far as they are concerned would be pleased to have them come in.
Mr Miller arose and said in as much as he had made a motion to table the request for a franchise from the new Long Distance Telephone Co and voted for a postponement of action on the same he felt at this time that the removal of Mr Stratton to move a reconsideration of his former motion which he did as follows:
Mr Chairman I would move you that the motion to table your petition for franchise of the New Long Distance Telephone Co be reconsidered
Seconded by B.F. Engerman motion carried
Mr Miller then made motion request of New Long Distance Telephone Co be granted
Seconded by B.F. Engerman and motion carried

Mr Thomas Lewis was before the Board and asked if it would be time to haul coal on the main st and on which he would not accept the said coal as corrupt pay
Matter was laid over for Engineers Committee report
Mayor then called for
Mr Miller of the Finance Committee to report that the school sales now on hand would bring in the sum of $70.00, also that Mr Crockett had paid the Corporation the amount for grading Jones Street also that the Committee had ordered the taxes returned for collection
Mr Bailey of the Street Committee says the Committee have Mr Crockett put Culvert in for Jones Street at 10th ave also the Street from Smith well crossing and that the men had completed grading Elm Street Jones and Chestnut also had done some grading on Water Street and gravel Comp and also done the hill north of Tanyards Mill also had hauled stone on Sycamore Street and Patterson Street Mayor Street had been Completed and also Front Street and Main also had been graveled on Lee Street and Sycamore Water Street Down Comp to Mr Jones
Mr Bailey says the new Comp has to repair the Cow Culvert and Bridge at Smith Alley
Matter of Sewerage question deferred to next Committee

Mr Gill Superintendent of the Public Works Committee
Supt he had hired one to work in Works and
labored over said wells for two years four and
ponds that coal cost about $5.00 per year
and per one year cost about $6.00 per
also Supt Gill stated to Comm. as to pumps over
same was in order to clean and repair
well &c. the water was to dry and would
have to work until water rose that was a Comm
Mr Engineer says Mr Dougherty would get more
depth in south side of pumping Station and
that the Com. Engineer instructed him
to go a head and make down as deemed and
end for the same out of Bath house.
Mr B. F. Engineer of the Law & Ordinance Committee
No Report on presented the following ordinance

An Ordinance

Requiring persons owning real estate
abutting on Simmons Street on
side thereof from Seventh Avenue
North to Delaware Street to grade
and gravel the side walks adjoining
their property and declaring an
emergency.

Section 1 Be it ordained by the President and Board
of Trustees of the Town of Cave Valley Colo,
Territory, that all persons owning real
estate abutting Simmons Street on the
side thereof between Seventh Avenue and
Delaware Street are required to
grade and gravel the side walks ad-
joining of their respective lots, on or
the 15 day of November, A.D. 1
Conform to the grade established by the
town Civil Engineer and the plans thereof
on file in this office of the Town Clerk.

Section 2 If the owners of said real estate afore-
said shall fail or refuse to
perform the work, as required by section one
to be done and gravel said side walks
in front of his or their real estate, as
provided for and required by this
Ordinance it shall then be the duty
of the Marshal to give five days
notice in writing to said abutting
property owners to forthwith complete

with the provisions of this ordinance and
then of course it shall be the duty of the Marshal to
proceed to do the work according
to plans and charge the same to
said abutting property — on the last
duplicate and collect the same as
taxes are collected.

Section 3 An emergency existing in the immediate
passing effect of this ordinance, the
same shall be in force and effect
from and after its passage.

Street Commissioner reports

Wm Bailey of the Street Commissioner reports had been out to the Quarry for Stone

Ordinance No. 1 Ordinance Commissioners
Ordinance authorizing issuance and sale
of Bonds as follows, viz:
Whereas, the Commissioners of Hamilton County
Ohio, a corporation duly organized and existing
under and by virtue of the laws of the State of
Ohio, and having its principal office in said
County, have heretofore, to-wit: on the 1st day
of January, 1900, duly made and entered of record
in the Journal of the Board of Commissioners of
said County, a certain order, which said order
is in the words and figures following, to-wit:
In the matter of the petition of the Board of
Trustees of Sycamore Township, Hamilton County,
Ohio, praying for the improvement of Sycamore
Road from the Cincinnati, Hamilton & Dayton
Railroad to the Cincinnati, Lebanon & Northern
Railroad, by the construction of a macadam
pike thereon, and the assessment of the cost
thereof upon the property bounding and abutting
thereon, and upon the County at large.
Now on this 1st day of January, 1900, this
matter coming on to be heard upon the petition
of the Board of Trustees of Sycamore Township,
Hamilton County, Ohio, praying for the improvement
of Sycamore Road from the Cincinnati, Hamilton
& Dayton Railroad to the Cincinnati, Lebanon &
Northern Railroad, by the construction of a
macadam pike thereon, and the assessment of the
cost thereof upon the property bounding and
abutting thereon, and upon the County at large,
and the Board having heard the evidence offered
in support of said petition, and the Board
having duly considered the same, and being
fully advised in the premises, finds that the
prayer of said petition should be granted, and
that the improvement should be made as prayed
for in said petition, and that the cost thereof
should be assessed upon the property bounding
and abutting thereon, and upon the County at
large, as provided by law.
It is therefore ordered by the Board of
Commissioners of Hamilton County, Ohio, that
the prayer of said petition be granted, and
that the improvement be made as prayed for in
said petition, and that the cost thereof be
assessed upon the property bounding and abutting
thereon, and upon the County at large, as
provided by law.
It is further ordered that the County
Surveyor be directed to make the plans,
profiles, specifications, estimates and
assessment schedules for said improvement,
and report the same to this Board for its
action thereon.
It is further ordered that the Clerk of
this Board be directed to notify the County
Surveyor of this order.
And thereupon, on motion of Commissioner
Miller, seconded by Commissioner Bailey, the
following resolution was adopted by the
following vote: Yeas, Miller, Bailey, Hill,
Nays, None.
Commissioner Miller moved the adoption of
the following resolution:
Resolved, That the Board of Commissioners
of Hamilton County, Ohio, hereby declare it
necessary to improve Sycamore Road from the
Cincinnati, Hamilton & Dayton Railroad to the
Cincinnati, Lebanon & Northern Railroad, by the
construction of a macadam pike thereon, and
the assessment of the cost thereof upon the
property bounding and abutting thereon, and
upon the County at large, as provided by law.
Commissioner Bailey seconded the motion to
adopt the foregoing resolution, and the vote
being taken thereon, the following vote was
had: Yeas, Miller, Bailey, Hill, Nays, None.
The following ordinance was then presented
and read, providing for the issue of Sycamore
Township Bonds to the amount of $3,321.80 and
as follows, viz:

An Ordinance authorizing the issue and sale of Three Thousand, Three Hundred, Twenty-one Dollars and Eighty Cents Sycamore Township Bonds and declaring an Emergency.

Section 1. Be it ordained by the Commissioners and Board of Trustees of the Township of Sycamore, Hamilton County, Ohio, that the issue of Sycamore Township Bonds to the amount of Three Thousand, Three Hundred, Twenty-one Dollars and Eighty Cents ($3,321.80) to pay assessments for which petitions have been filed for the improvement of the following named streets, to-wit:
Sycamore Road,

upon the east side of Walnut Street from Church
West to Maple Street upon the west side of
Walnut Street from Church Street to Thomas
Street upon the east and west sides of Jones
Street from Maple Street to Main Street upon the
west side of Jones Street from Church Street to
Main Street upon the west side of Green Alley
from Main Street to North Front Street upon
the east side of Eagle Street from Main Street to
North Front Street upon the east and west sides
of Water Street from the south track of the
Pittsburg, Cincinnati, Chicago and St. Louis
Railroad to South Third Street upon the west
and east sides of Cedar Street from Main Street
to Church Street upon the east and west
sides of Chestnut Street from Main Street to
Church Street upon the west side of Thomas
Street from Main Street to Church Street upon
the east and west sides of Simmons Street
from Maple Street to Hopkins Avenue upon the
North side of Maple Street upon the east side
of Jones Street to Walnut Street upon the west
side of Maple Street from the east and
South sides of Walnut Street, upon the North
and South sides of West Front Street from Green
Street to the extreme west end of North to
Walnut Street upon the north side of Main Street from
Walnut Street to the first alley west of Walnut Street
upon the north and south sides of Church Street
from Cedar Street to Main Street upon the North
and South sides of Main Street from the west bridge
East to Eagle Street.

Section 2. That said bonds be issued under
and by virtue of an act of the General Assembly
of the State of Indiana, approved March 5 1873
and acts amendatory thereof and supplemental thereto;
That said bonds be issued in one series, bearing
dates of June 10 bonds, each of the denomination
of Three Thousand Dollars, Five Hundred Dollars and

Pres Gray stated the purpose of the meeting to be to meet Mr Shurtleff and consult concerning

Mr Shurtleff was present and the matter of his employment was talked over by himself and members. And Mr Shurtleff made a proposition to the Board to act as the town attorney of the town in an advisory capacity for 150.00 per year but in case of any litigation upon the part of the town, he would do the work for a reasonable fee.

After an exchange of views by the members Mr Bailey made motion, Mr Shurtleff be employed as attorney for the town for year from this date at 150.00 per year seconded by J M Fitzsimmons

Motion Carried.

Matters in General were then talked over and especially the matter of revising the ordinances were talked over and the matter was thoroughly discussed.

The Matter of Posting the ordinances was also talked over & the opinion of Mr Shurtleff was asked as to his opinion the Board could post the same into Lots if it so chose and revise it and add on to the town and this in ordinances as legislative the corporate limits of town

No further business appearing Motion by Wyman Board adjourned subject to call

June 16 1900 Met pursuant to adjournment and ordinances of the town revised by J M Fitzsimmons Motion seconded by Gray Carried

Tuesday Jan 16 1900

Board met pursuant to adjournment Jan 15 1900 with Mr Gray present and in the chair and J M Ingraham, B F Ingraham and Isaac A Bailey present also and Mr Miller Recorder.

Mr Bailey then made motion Board resolve itself in to a committee of the whole to revise the by laws, ordinances and resolutions of the town.

Seconded by B F Ingraham

Motion Carried

On Motion B F Ingraham was called to preside Mr Shurley says that part of the ordinance, Concerning the act of incorporation should be left out of the new Compilation.

Mr Bailey made motion seconded by J M Ingraham that that part of the ordinances be retained and put in the back of the book under head of Miscellaneous. Motion Carried

In the matter of fees and salaries Mr Gray Made motion that on and after May 1st 1900 the office of Clerk & Treasurer be merged into one office and the salary therefor be fixed at $100.00 per year Seconded by J M Ingraham

Motion Carried

Mr Bailey made motion that on and after May 1st 1900 the salary of town Auditor be $50.00 per year Seconded by J M Ingraham. Motion Carried.

The ordinance book that was compiled up to 1895 was taken up and carefully gone over and all ordinances that had been repealed by other ordinance or state statute were stricken out and after this being done the book was thoroughly gone over for corrections. That part of the ordinances book pertaining to rules and regulations was gone over and also thoroughly revised and some additions made to the Calander of business forming part of the ordinance book was gone over and on motion same ordered dropped out. This pertains to the part of ordinances as compiled in 1895. Mr Bailey Made motion adjourn over for supper Seconded by Mr Exley Motion Carried

Committee adjourned

Minutes

Roll call & the following all members present except Mr Miller, and at once took up the ordinances, copies of which had been prepared by the clerk, that had been passed since the last compilation of ordinances and were carefully gone over in the order in which they had been passed.

The attorney Mr Shirley was instructed to draw up an ordinance repealing the office of Clerk and Treasurer into one office fixing the salary also fixing salary of Constable and repealing the Marshals salary to take effect same as near to form and also an ordinance to collect shall licenses. Also town and present the same to the Board for their approval.

Upon completing the work of the committee Mr Gray made motion the Committee now arise and report their proceedings to the Board seconded by Mr Bailey.

Motion carried.

The Board then went into session with Pro Gray in the Chair who announced that the Board was now ready to receive the report of the committee of the whole. Thereupon Mr Bailey on behalf of the Committee reported to the Board that the Committee had collected and compiled the ordinances and resolutions of said town as passed to date and read in full and herewith submit said ordinances and resolutions.

Mr J M Zeppernick then made motion a special Committee be appointed to arrange the ordinances in proper rotation and form and copy the same published and put in book form for the Boards possable signature and that Pro Gray be the Chairman of said committee.

Seconded by Mr Bailey Motion carried

Thereupon Pro Gray appointed W T F Zeppernick and Jesse A Bailey in connection with myself.

1st Miller
1st Hagermann
2nd Hagermann
Jesse Bailey

Pres. stated, the purpose of the meeting to be for general business and consider matter of laying water mains.

The matter of laying water mains and digging trench for the same was taken up at length.

Mr Miller made motion, seconded by 1st Hagermann and carried that the Supt of the Water Works be instructed to dig trench and lay pipe for water mains to the following places, viz: Commencing at the corner of Main and Fourth streets and running thence south on Fourth street to the alley between Main and Court streets, thence west on said alley to the corner of Fourth and Court streets, thence south on Fourth street to the south line of Block 19, thence west on said line to the alley between Fourth and Fifth streets, thence south on said alley to the south line of Block 20, thence west on said line to the alley between Fifth and Sixth streets, thence south on said alley to the south line of Block 21, thence west on said line to the alley between Sixth and Seventh streets, thence south on said alley to the south line of Block 22, thence west on said line to the alley between Seventh and Eighth streets, thence south on said alley to the south line of Block 23, thence west on said line to the alley between Eighth and Ninth streets, thence south on said alley to the south line of Block 24, thence west on said line to the alley between Ninth and Tenth streets, thence south on said alley to the south line of Block 25, thence west on said line to the alley between Tenth and Eleventh streets, thence south on said alley to the south line of Block 26, thence west on said line to the alley between Eleventh and Twelfth streets, thence south on said alley to the south line of Block 27, thence west on said line to the alley between Twelfth and Thirteenth streets, thence south on said alley to the south line of Block 28, thence west on said line to the alley between Thirteenth and Fourteenth streets, thence south on said alley to the south line of Block 29, thence west on said line to the alley between Fourteenth and Fifteenth streets, thence south on said alley to the south line of Block 30, thence west on said line to the alley between Fifteenth and Sixteenth streets, thence south on said alley to the south line of Block 31, thence west on said line to the alley between Sixteenth and Seventeenth streets, thence south on said alley to the south line of Block 32, thence west on said line to the alley between Seventeenth and Eighteenth streets, thence south on said alley to the south line of Block 33, thence west on said line to the alley between Eighteenth and Nineteenth streets, thence south on said alley to the south line of Block 34, thence west on said line to the alley between Nineteenth and Twentieth streets, thence south on said alley to the south line of Block 35, thence west on said line to the alley between Twentieth and Twenty-first streets, thence south on said alley to the south line of Block 36, thence west on said line to the alley between Twenty-first and Twenty-second streets, thence south on said alley to the south line of Block 37, thence west on said line to the alley between Twenty-second and Twenty-third streets, thence south on said alley to the south line of Block 38, thence west on said line to the alley between Twenty-third and Twenty-fourth streets, thence south on said alley to the south line of Block 39, thence west on said line to the alley between Twenty-fourth and Twenty-fifth streets, thence south on said alley to the south line of Block 40, thence west on said line to the alley between Twenty-fifth and Twenty-sixth streets, thence south on said alley to the south line of Block 41, thence west on said line to the alley between Twenty-sixth and Twenty-seventh streets, thence south on said alley to the south line of Block 42, thence west on said line to the alley between Twenty-seventh and Twenty-eighth streets, thence south on said alley to the south line of Block 43, thence west on said line to the alley between Twenty-eighth and Twenty-ninth streets, thence south on said alley to the south line of Block 44, thence west on said line to the alley between Twenty-ninth and Thirtieth streets, thence south on said alley to the south line of Block 45, thence west on said line to the alley between Thirtieth and Thirty-first streets, thence south on said alley to the south line of Block 46, thence west on said line to the alley between Thirty-first and Thirty-second streets, thence south on said alley to the south line of Block 47, thence west on said line to the alley between Thirty-second and Thirty-third streets, thence south on said alley to the south line of Block 48, thence west on said line to the alley between Thirty-third and Thirty-fourth streets, thence south on said alley to the south line of Block 49, thence west on said line to the alley between Thirty-fourth and Thirty-fifth streets, thence south on said alley to the south line of Block 50, thence west on said line to the alley between Thirty-fifth and Thirty-sixth streets, thence south on said alley to the south line of Block 51, thence west on said line to the alley between Thirty-sixth and Thirty-seventh streets, thence south on said alley to the south line of Block 52, thence west on said line to the alley between Thirty-seventh and Thirty-eighth streets, thence south on said alley to the south line of Block 53, thence west on said line to the alley between Thirty-eighth and Thirty-ninth streets, thence south on said alley to the south line of Block 54, thence west on said line to the alley between Thirty-ninth and Fortieth streets, thence south on said alley to the south line of Block 55, thence west on said line to the alley between Fortieth and Forty-first streets, thence south on said alley to the south line of Block 56, thence west on said line to the alley between Forty-first and Forty-second streets, thence south on said alley to the south line of Block 57, thence west on said line to the alley between Forty-second and Forty-third streets, thence south on said alley to the south line of Block 58, thence west on said line to the alley between Forty-third and Forty-fourth streets, thence south on said alley to the south line of Block 59, thence west on said line to the alley between Forty-fourth and Forty-fifth streets, thence south on said alley to the south line of Block 60, thence west on said line to the alley between Forty-fifth and Forty-sixth streets, thence south on said alley to the south line of Block 61, thence west on said line to the alley between Forty-sixth and Forty-seventh streets, thence south on said alley to the south line of Block 62, thence west on said line to the alley between Forty-seventh and Forty-eighth streets, thence south on said alley to the south line of Block 63, thence west on said line to the alley between Forty-eighth and Forty-ninth streets, thence south on said alley to the south line of Block 64, thence west on said line to the alley between Forty-ninth and Fiftieth streets, thence south on said alley to the south line of Block 65, thence west on said line to the alley between Fiftieth and Fifty-first streets, thence south on said alley to the south line of Block 66, thence west on said line to the alley between Fifty-first and Fifty-second streets, thence south on said alley to the south line of Block 67, thence west on said line to the alley between Fifty-second and Fifty-third streets, thence south on said alley to the south line of Block 68, thence west on said line to the alley between Fifty-third and Fifty-fourth streets, thence south on said alley to the south line of Block 69, thence west on said line to the alley between Fifty-fourth and Fifty-fifth streets, thence south on said alley to the south line of Block 70, thence west on said line to the alley between Fifty-fifth and Fifty-sixth streets, thence south on said alley to the south line of Block 71, thence west on said line to the alley between Fifty-sixth and Fifty-seventh streets, thence south on said alley to the south line of Block 72, thence west on said line to the alley between Fifty-seventh and Fifty-eighth streets, thence south on said alley to the south line of Block 73, thence west on said line to the alley between Fifty-eighth and Fifty-ninth streets, thence south on said alley to the south line of Block 74, thence west on said line to the alley between Fifty-ninth and Sixtieth streets, thence south on said alley to the south line of Block 75, thence west on said line to the alley between Sixtieth and Sixty-first streets, thence south on said alley to the south line of Block 76, thence west on said line to the alley between Sixty-first and Sixty-second streets, thence south on said alley to the south line of Block 77, thence west on said line to the alley between Sixty-second and Sixty-third streets, thence south on said alley to the south line of Block 78, thence west on said line to the alley between Sixty-third and Sixty-fourth streets, thence south on said alley to the south line of Block 79, thence west on said line to the alley between Sixty-fourth and Sixty-fifth streets, thence south on said alley to the south line of Block 80, thence west on said line to the alley between Sixty-fifth and Sixty-sixth streets, thence south on said alley to the south line of Block 81, thence west on said line to the alley between Sixty-sixth and Sixty-seventh streets, thence south on said alley to the south line of Block 82, thence west on said line to the alley between Sixty-seventh and Sixty-eighth streets, thence south on said alley to the south line of Block 83, thence west on said line to the alley between Sixty-eighth and Sixty-ninth streets, thence south on said alley to the south line of Block 84, thence west on said line to the alley between Sixty-ninth and Seventieth streets, thence south on said alley to the south line of Block 85, thence west on said line to the alley between Seventieth and Seventy-first streets, thence south on said alley to the south line of Block 86, thence west on said line to the alley between Seventy-first and Seventy-second streets, thence south on said alley to the south line of Block 87, thence west on said line to the alley between Seventy-second and Seventy-third streets, thence south on said alley to the south line of Block 88, thence west on said line to the alley between Seventy-third and Seventy-fourth streets, thence south on said alley to the south line of Block 89, thence west on said line to the alley between Seventy-fourth and Seventy-fifth streets, thence south on said alley to the south line of Block 90, thence west on said line to the alley between Seventy-fifth and Seventy-sixth streets, thence south on said alley to the south line of Block 91, thence west on said line to the alley between Seventy-sixth and Seventy-seventh streets, thence south on said alley to the south line of Block 92, thence west on said line to the alley between Seventy-seventh and Seventy-eighth streets, thence south on said alley to the south line of Block 93, thence west on said line to the alley between Seventy-eighth and Seventy-ninth streets, thence south on said alley to the south line of Block 94, thence west on said line to the alley between Seventy-ninth and Eightieth streets, thence south on said alley to the south line of Block 95, thence west on said line to the alley between Eightieth and Eighty-first streets, thence south on said alley to the south line of Block 96, thence west on said line to the alley between Eighty-first and Eighty-second streets, thence south on said alley to the south line of Block 97, thence west on said line to the alley between Eighty-second and Eighty-third streets, thence south on said alley to the south line of Block 98, thence west on said line to the alley between Eighty-third and Eighty-fourth streets, thence south on said alley to the south line of Block 99, thence west on said line to the alley between Eighty-fourth and Eighty-fifth streets, thence south on said alley to the south line of Block 100, thence west on said line to the alley between Eighty-fifth and Eighty-sixth streets, thence south on said alley to the south line of Block 101, thence west on said line to the alley between Eighty-sixth and Eighty-seventh streets, thence south on said alley to the south line of Block 102, thence west on said line to the alley between Eighty-seventh and Eighty-eighth streets, thence south on said alley to M Bailey of the street committee says the lumber has been delivered for the bridge floor and it had been put in but not quite finished but would be finished within the next day or two

M B F Ingermann of the same committee presented the following ordinance

An ordinance

Establishing a market square for the sale of horses, mules, ponies and animals of the horse kind for the protection of the same against fraud &c.

John E Cooney his successors and assigns in the month of March of each year, between the hours of the morning and afternoon, during said month, and masons the exhibition of horses, mules, ponies and animals of the horse kind for sale in any place other than the market square designated for said purposes, and fixing a maximum rate at which horses shall be driven upon all streets excepting streets designated in this ordinance and declaring an emergency.

Sec 1st Be it ordained by the President and Board of Trustees of the town of Cambridge City Indiana, that a general square for and the same is hereby established for the purpose of the horse business Conducted by John E Cooney his successors and assigns said square is described and bounded as follows to wit, Beginning at a point on the South of Depot Street where it intersects the said Dog Run alley, thence west along said alley to the East line of the State Road thence south along said line to the north line of 3rd Street thence

thence west to the east line of Green Street thence south along said line of Green Street to the north line of 4th Street thence east to the place of beginning. The center of said Green Street to the place of beginning to be and the same is hereby designated and made market square for the sale of livestock of all kinds during all the months of March of each year.

Section 2. Be it further ordained by the President and the Board of Trustees of said town of Rushville Indiana that the marshal of said town and all deputies are hereby charged with the enforcement of this ordinance.

Section 3. Be it further ordained by the President and Board of Trustees of the said town of Rushville City Indiana, that it shall be unlawful for any person to sell or offer for sale any animal of the horse kind upon any of the streets or public commons in said town during the months of March of any year excepting the ones designated in this ordinance.

Section 4. Be it further ordained by the President and Board of Trustees of the town of Rushville City Indiana that it is hereby declared unlawful for any person to drive any animal of the horse kind at a faster gait than 8 miles per hour along upon and over any of the streets of said town excepting the one designated as Market Square.

Section 5. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

Section 6. Any person violating the provisions of this ordinance shall be adjudged guilty of a misdemeanor and upon conviction be fined not less than one dollar nor more than twenty five dollars.

Section 7. It is hereby declared that an emergency exists for the immediate taking effect of this ordinance it shall therefore be in force and effect from and after its passage.

Passed and approved this 3rd day of March 1890.

Board met pursuant to the call of the President with all members answering roll call to hear the report of the joint Committee of the Town Trustees and the Land and Improvement Co relative to advisability of granting to Mess Long & Freeman a franchise for an electric street railway plant through the Corporate limits of Cambridge City. After hearing and considering said report, which was also discussed in relation and which acted on further time for the investigation of matter in connection with the matter the following resolution was read and adopted.

Resolved by the Board of Trustees of the town of Cambridge City Indiana that it is not deemed advisable to grant to Long and Freeman the franchise for an electric street railway line through the town of Cambridge City as prayed in the petition presented.

Be it further resolved that we first object to granting a franchise for a term of 60 years. Second we object to a franchise that does not provide against the nuisance of frequent injury to water and other underground pipes by providing some method of returning the water back to the proper street. Third that we do not wish to grant a franchise for heat light and power in connection with a franchise for a street railway.

Fourth, we think we should have something in the nature of remuneration such as the location of the power house and system thereof within the corporate limits or within one mile of the same.

Be it further resolved that the Committee be and the same is hereby instructed to request an extension of time to Wednesday May 23rd 1900 at 2 oc P.M. for their final report.

Minutes of last regular meeting read and on
Motion adopted as read.

A majority of the lot owners in the Auldridge
City Land and Improvement Co addition to Cam-
bridge City having petitioned the Board to ascertain what
action was to be taken by the Board with
reference to the improvement of Mulberry Street
and also to its change of grade, with the Board
with reference to the width of the Street
and the manner in which it should be constructed
after an exchange of views it was agreed that
that the Street should be 36 feet in width
between the Curbs with a 12 foot Tile walk
bordering the same this being Estes Factory accepted
the following Resolution was then presented and
read for the improvement of the Tile walks
and Gutters with Cement etc. viz

Declaratory Resolution

for the construction of Cement Tile walks Curbs &
Gutters upon Mulberry Street from Potawatomie Street
to Wade Street, and Cement Tile walks upon
Front Street from Mulberry Street to the East side
of Mulberry Street and upon Maple Street
from Mulberry Street to Walnut Street in the
Town of Cambridge City Indiana.

Whereas the property owners abutting the alley
named Herein above petitioned the Board of
Trustees for the improvements as set forth
in the caption of this resolution, and Whereas
the Board of Trustees are of the opinion that
public Necessity and convenience requires the
Making of the aforesaid Improvements, Therefore
be it Resolved by the President and Board

of Trustees of the Town of Cambridge City, Indiana, that it be deemed expedient and public necessity requires the making of the following improvements, towit: the construction of cement curbs, curbs and gutters upon and along the following streets and parts thereof and of the following dimensions, viz:

Upon the east side of McHenry street from Ottawalomie street to Main street a cement curb wall five feet (5) in width, upon and along the west side of McHenry street from Ottawalomie street to Front street a cement curb wall five feet (5) in width; also combination cement curbs and gutters upon and along the above described parts of Mulberry street of the following dimensions, viz: a cement curb of the thickness of six inches (6) at the top and a cement gutter of the thickness of six inches (6) west of the width of twenty eight (28) feet from the east side of the curb.

Also a cement curb wall upon and along the North and South sides of Front street from Mulberry street to the first alley east of Mulberry street five feet (5) in width; upon and along the North and South sides of Maple street from Mulberry street to Walnut street five feet (5) in width.

That said improvements should be made and constructed according to the plans and specifications and the estimate of cost thereof made and prepared by Harry A. Nebel, a competent civil engineer, and now on file in the office of the Clerk of said Town of Cambridge City, Indiana, which are hereby approved and adopted and made a part of this resolution the same as if an originated herein, and that the cost of said improvement be charged against the property abutting thereon and said improvements be collected by a collected by any and all improvement bonds to be issued and sold to cover assessments for which waivers have been filed, all as provided by an act of the General Assembly of the State of Indiana, approved March 6th 1905, and acts amendatory thereto and supplemental thereto, and that said town clerk be and he is hereby directed to advertise for sealed

~~the~~ proposals for said work for three weeks in a News paper of general circulation published in said town as required by law and also give due notice in such news paper of the passage of this resolution for ten days for two weeks, stating in such notice the time when and the place where the property owners along the line of said proposed improvements can make objections to the said Board of Trustees, to the necessity for the construction thereof.

Mr J M Fitzsimmons then made motion which he duly seconded and the foregoing resolution be adopted. Seconded by Mr Myers.

The vote being called resulted as follows

Voting aye, Fitzsimmons, Ebrite, Keith, and Pierce

Voting nay, Mr Earle absent

The President thereupon declared the motion unanimously carried.

The following notice to property owners was then read.

Notice is hereby given that on Tuesday the 26th day of June 1906 the Board of Trustees of the town of Cape Vincent, N.Y. duly held a resolution declaring a necessity for the following improvements, to wit: The construction of Cement side walks, curbs and gutters upon and along the following streets and parts thereof and of the following dimensions viz: upon the east side of Jefferson Street from Pottawattomie street to Main Street a Cement side walk five feet in width; upon and along the west side of Washington Street from Pottawattomie Street to Front Street a Cement side walk five feet in width, also combination Cement curbs and gutters upon and along the above described parts of said Streets of the following dimensions viz: a Cement curb of the thickness of 6 inches at the top and a Cement gutter of the thickness of six inches and of the width of 18 inches from the curb line of the same.

Also a Cement side walk upon and along the North and South sides of Main Street from Mulberry Street to the first alley each of Mulberry Street five feet in width upon and along the North and South sides of Mulberry Street from Mulberry street to Walnut Street five feet in width

and that said improvements should be constructed according to plans and specifications thereof prepared by Boyce & Nebe, a Competent Civil Engineer and finally at said meetings and adjournments said Board and now on file in the office of the town Clerk of said town of Columbia City, Indiana, and that the costs of said improvements should be charged against the property abutting thereon and said town and collected in like all as provided by an act of the General Assembly of the State of Indiana approved March 8th 1889 and acts amendatory thereof and supplementary thereto.

The property owners along the line of said proposed improvements are hereby notified to meet said Board of Trustees at the town hall at the hour of 7.30 o'clock P.M. on the 2nd day of July 1900 and then and there remonstrate any objections they desire to make to the necessity for the construction of such proposed improvements.

Mr J. M. Fogelsanger made motion, that the remonstrance notice to property owners be published according to Mr Coats Motion Carried.

The following notice to Contractors was then read as follows Court:

In pursuance of a resolution of the Board of Trustees of the town of Columbia City Indiana said Board of Trustees will receive sealed proposals at the office of the town Clerk until 2 o'clock P.M. on Wednesday the 20th day of June 1900 for the construction of cement side walks curbs & gutters in and along the following streets and parts thereof and of the following dimensions to wit:

Upon the west side of Main Street from Pittsworth Street to Mound Street a cement sidewalk five feet (5') in width; upon and along the west side of Mulberry Street from Pittsworth Street to Mound Street a cement sidewalk five (5') in width also combination cement curbs and gutters in and along the above described parts of said Streets of the following dimensions to wit: a curb of the thickness of six inches (6) at the top and a cement gutter of the thickness of six inches and of the width of twenty eight (28) inches from the east side of the curb.

Also a cement sidewalk upon and along the

North and South sides of Front Street from Holborn Circle to the next alley East of Holborn Street, one foot (1') in width; upon and along the North and South sides of Maple Street from Mulberry Street to Walnut Street a cement side walk five feet (5') in width.

All bids must be on printed forms provided for the purpose, which may be obtained of the Town Clerk, and inclosed in a sealed envelope directed to the Board of Trustees, Cambridge, Gage County, Nebraska. The bond of the successful bidder shall be in the sum of Two Thousand dollars ($2000.00) and must be given by members of Fraternity Corporation.

Each bid for Foreign Contractors must be accompanied by a deposit of a Certified Check for Three hundred ($300.00) Dollars, to be left in the hands of the Town Treasurer, subject to the conditions specified in the Ordinance, and bids by Resident Contractors by a bond of $300.00 as a guarantee of the good faith of the bidder.

Bids will be opened, Builders may enter by and Board of Trustees as to their Competency to complete the work, and not their responsibility for the necessary prosecutions.

Bids shall state the price per lineal foot for the curbing - Gutter, and also for all other items enumerated in the schedule which price shall be in full for all labor and materials required for the complete execution of the work.

Said work to be completed on or before the 1st day of October 1907, under the direction of the Civil Engineer, and in accordance with the plans and specifications on file in the office of the Town Clerk.

The contract will be let to the lowest responsible bidder.

The Board of Trustees reserve the right to reject any or all bids or waive defects in bids, as the interest of the town may require in accordance with this notice.

Mr J.M. Engerman made motion the foregoing notice to Contractors be published. Second by Mr Cook

Motion Carried

The following report of the three commissioners appointed to appraise the benefits and damages in the matter of opening Grove Street.

To the Board of Aldermen of the town of Cambridge City, Indiana.

The undersigned, Commissioners appointed to appraise and assess the damages and benefits accruing to the owners of any land or lots through which it is proposed to open a street from the East alley South of Fourth Street in said town beginning at a point in the south margin of said alley 33 feet east of the west line of Grove Street and running to the south line of Benjamin F. Dischel and also which said 33 feet will be the easterly line of said street to be opened, running thence south parallel with Grove Street to the south corporate line of said town of Cambridge City, Indiana said proposed street to be sixty six (66) in width, Report as follows, to-wit: that we met at ten (10) o'clock A.M. on the 22nd day of June 1900, in the town hall of said town, pursuant to the notice previously given and return thereof made by the town Marshal and proceeded to examine all the real estate that will be affected by the opening of said proposed street. That it will be necessary to appropriate the following described real estate, situated in said town owned by the persons named and of the value given, to-wit; owned by Benjamin F. Dischel and George W. Dischel, being part of fractional Section 27 Town Ship 16 Range 12 East commencing at the south east corner of said Section thence west 33.40 rods in the middle of said Section 33.40 rods to the place of beginning containing 7 acres more or less.

Total value of Real estate to be appropriated $700.00

We also report that the following real estate situated in said town owned by the persons named will be benefited by the opening of said proposed street and the amounts of benefits each parcel of land will be credited by Benjamin F. Dischel and George W. Dischel as above described

Total amount of Benefits to accrue $700.00

We also further report that the following real estate, situate in said town owned by the persons named will be damaged by the opening of said proposed street and the

the Ordinance

An Ordinance,

Granting certain privileges to the Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company, in the town of Cambridge City, Indiana.

Sec- I. Be it ordained by the President and Board of Trustees of the Town of Cambridge City, Indiana, that privilege and authority is granted unto the said Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company, to lay, construct, maintain and operate a single track switch over and across Church Street in said town and also across and over Center Street in said town, said switch to cross Church street at a point immediately east of the arch on ~~Church~~ street, ~~said switch~~ then running in a northerly direction across said Church street, and further, said switch shall cross said Center street at a point 45 feet more or less, south, of the first alley between Main street and Church street, in an easterly direction.

Sec-2. Be it further ordained by said president and Board of Trustees of said town, that said track shall be constructed and maintained so as to conform at all ties to the established grade of said Church and Center streets,. Provided that the said Pittsburgh, Cincinnati, Chicago and St. Louis Railway Company will at all ties maintain said crossings so as to be no impediment to public travel in said street, or, to the flow of water in any gutter.

Sec-3. Be it further ordained by said President and Board of Trustees of said town, that this grant is upon the condition that when this switch ceases to be used by Bertsch and Company for factory purposes the rights granted under this ordinance shall become null and void, and said Rail-way company will be required to forthwith remove said track from said streets and put the streets in as good condition as they were prior to the construction of said track.

Sec-4. Be it further ordained by said President and Board of Trustees, that it is hereby declared that an emergency exists for the immediate taking effect of this ordinance, it shall therefore take effect and be in force from and after its passage.

W. Bailey made motion ordinance be adopted as read. Second by Mr Ebert

Board met in Called Session and the following members answered roll Call

John C. Gray
A. M. Elwell
Wm. Dickinson
Wm. F. Kalb
Isaac Comley

President Gray announced the purpose of the Meeting to be for Special business

Mr. Irving Bonsall was then called and Called the Boards attention to the fact that in the Extension it would not do to lay Cement side walks and gutters this fall on the fill as it was reasoning the the new addition as the fill would not be solid enough to protect the walks from frost and that the frost comes out into under the walks and heave them up and Fraser Street and he would move the request that the Board extend the time of laying Cement walks to May 1st 1901 with the Specific Standing that he put in the curb and keep the curb going until the fill was complete this fall.

The matter was taken over by the Board in length whereupon Mr Bonsall amended motion that the extension of time asked for by Mr Wilson & Comley and that the curb be completed by July 1st 1901. Seconded by Mr Elliott

Motion Carried

Mr Wm Sanborn was then called before the Board and read from the formed of the action about to be taken against him by the Supervisor and on the Boards remarks gave the Board to understand that if they would accept a certain sum he would pay the costs in the case he was willing to do so & then withdraw the appeal case to the Supreme Court. He requested that the Board consider the matter and answer him in the morning so he could know the result of their deliberation.

Mr Sanborn attention was called to complaint of Mrs Conrad Engel lodged against him Thursday June 7 Evening re the keeping of Swine in his premises in such a manner as to be dangerous to public health in the case of Mrs Engel

[illegible] Contagious diseases.
Mr Sampson agreed to attend to the matter and [illegible]
the same accordingly.
After [illegible] Sampson retired the matter of his violation
of a former ordinance was taken up at length
and brought forth a heated discussion after which
Mr Cate made a motion that a former act of the
Board be carried out and suit be instituted
against the Cambridge Cereal and Cleaning Co.
[illegible] Chairman declared the motion
[illegible] Cate Jones Cairns Merrill as follows: Voting
aye Engelmann, Bailey, Cate, and Ebert. Voting No-
Chairman King.
Motion declared carried
Mr Ford Clerk was [illegible] for the Board requesting
the Cambridge City Lumber Company and asking
permission to [illegible] on the sale room in rear
part of their new lumber shed. Mr Bower made
the statement that as soon as the walls were out
the Lumber Company would proceed to [illegible]
the same point, the population crossing but they
did not feel like taking up a good brick and putting
down what that would not be any better.
After some discussion by the Board Mr Bailey made
motion to agree to Mr Bower to [illegible] work the under-
standing the Mr Bower would select the walls as
both Sides were an adjacent stone. The same to be
Cross walks are protected. Second by Mr Engelmann
Motion carried.
Mr L. E. Knight Sec of the Board
of Health was [illegible] the Board and made application
for one [illegible] one Simpson Cleaning Factory.

Present Committee on Electric Light. presented the following through
Mr. A. Walch Chairman.

Cambridge City Ind. 14th Jan 1930

To the Committee on Electric Light
of the Board of Trustees
of the Town of Cambridge City Ind.

Gentlemen: On behalf of myself and associates I propose that if the Town of Cambridge City will hereafter, and on entering into a contract with us to pay us monthly for a term of ten years such a price for Electric Lights as will pay back to us the original cost price of the plant herein after referred to with interest at the rate of six (6) per cent per annum, and the accidental Expence of the operation of the scheme herein after mentioned such expense not to exceed $30.00 per annum we will furnish the money to pay for an electric light plant with a capacity of 30 ark lights of 1400 Candle power, and for 1 six hundred incandescent lights of 16 candle power. The machinery to be of the best kind, and such as shall be mutually acceptable to us and to the Town Board of Cambridge City, and to be set up and maintained either in the present building of the Water Works station, or in building to be erected in connection therewith on land owned by the Town the plant to cost approximately $12000.00. The plans for the erection of such plant to be submitted to the Board of Trustees for their approval. When the plant is completed the Town to take charge thereof the same as if it owned it. Except as to the rental which it agrees to pay — pay all operating Expenses, Insurance, Taxes, Interest, and keep the repairs, so that the plant shall be at all times in good working order. There shall be an option given in said contract which we will grant and the Town reserve the option to purchase said plant at the end of the years and release us from all further liability in regard of said plant. The domestic and Commercial lighting to be on an electric light schedule —

The Contract entered into shall be such a one as will be legally binding on both parties.

Sincerely yours
A.M. Feemster

Mr Sweet made motion adoption of Special Committee's report and thereof recommended that the Constable be and are authorized to [illegible] as read and that the terms of the contract called for, and employing an engineer to survey lines and grades for a plant in accordance with the proposition.

Seconded by J.H. Ingerman

Motion Carried.

Mr C.W. Ingerman says as Vandalia had never had any other way of light he wanted to move the Bond the following proposition. Mr Ingerman says if the Town will furnish the lamp and granules and renewals for a gas lamps then he will furnish the [illegible] and keep the lamps lit.

Mr Bailey made motion town accept Mr Ingerman proposition and furnish lamp and renewals seconded by Mr Beck, motion carried.

Mr Bailey a settlement of the suit of the Town against the Cereal and process to was talked over at length by the Board the matter was brought up at the instance of Mr Chapman President of the Company. Who wanted to settle the matter and drop it. After some discussion it was decided that Mr Chapman would pay all costs and allow the fines of [illegible] the Town would drop the case.

Mr Bailey then made motion bills to referred to the Finance Committee, seconded by Mr Beck motion carried.

Bills to the amount of [illegible] were read referred to and approved by the Finance Committee.

President Gray stated the purpose of the meeting to be to hear Mr Varney of the Varney Electrical Supply Co. and take over the matter of an electric light plant.

Mr Varney being present made a long statement to the Board with reference to existing plants, and suggested among other things that the plant be constructed from the best type of machinery obtainable. as for instance the use of a Westinghouse dynamo and a Pittsburg engine. That by getting bids from one of the best plants (that can be constructed).

Mr Varney further stated that he was in the general supply business and would like very much to figure on furnishing all the supplies. Mr Varney further says that he will furnish the plans and specifications for 1½% of the net cost of the plant complete and also supervise the construction. But all supplies are to be furnished by the Varney Electric Supply Co.

The matter was discussed at length by the Board and Mr Varney, after which a motion to adjourn carried. Board adjourned.

Council Chamber

Cambridge City, Ind.
Dec 4th 1900

Board met in called session with all members present and President Gray in the chair.

President Gray stated the purpose of the meeting to be to determine upon building a new electric light plant or purchasing the plant of Mr. Herbert.

Mr. Heath of the Light Committee says Mr Herbert had submitted a proposition of proposition for lighting the town and the Board of Trustees and that he herewith presented Mr. Herberts final proposition

To the President and Board of Trustees of the Town of Cambridge City:-

Gentlemen:-

I herewith submit proposition to ~~xxx~~ lease to you my electric plant in your town, with option to purchase the same at the end of five years, towit:-

I will lease to the Town of Cambridge City, Indiana, my power house, electric plant and everything connected therewith in said town for a period of five years from December 1, 1900, for the consideration hereinafter named, with the option to said town to buy the same at the end of said lease, towit:-

Said town to pay to me the sum of $100 per month as rental for said power house and electric plant complete during the period of five years, and at the end of said period to pay me the sum of $100 for the purchase of said power house and electric plant. The said power house and electric plant to be transferred to the said town on December 1, 1900, and the said town to pay all taxes, charges and operating expenses and all the necessary and proper expense to maintain said plant ~~xxx xxii xixx~~ and to improve the same as the President and Board of Trustees may desire.

The said Town to execute to me upon the signing of an agreement, embracing the terms of this proposition notes secured by mortgage upon said power house and electric light plant covering the payment as provided for in the foregoing proposition.

Dated November 20, 1900.

Accepted by Electric Light Committee

Mr Rath then made motion that the Board reject the proposition of Mr Graham as it was illegal and the town proceed to make a contract for the construction and equipment of a plant of the character as our Engineer in the plans and specifications thereto prepared. Second by Mr Ingraham.

After a thorough discussion of the question the President put the motion. The vote being called resulted as follows voting Aye Bailey both Ingraham Rath and President Gray

Said motion was declared carried.

Mr Shirley the attorney for the town was present and stated that he had examined the contract prepared by Mr Fennessy and in his opinion was a safe contract for the town to enter into as the contracts were upheld by the laws of the State and also by the Supreme Court of the State and that there was good reason why the town should not enter into such a contract.

Mr Fennessy was present with the contract and it was read over clause by clause and discussed by Mr Fennessy the Board and the attorney at length but no definite action taken as the matter any more than the Board proposed their workings as Mr Fennessy to sign it up after the exact Monetary Consideration was determined upon.

Mr Gordon & Varney Electrical engineers was present and presented the bids he had received for the concrete construction and equipment of the plant and also the building as which it was proposed to construct the plant.

The first proposition presented was for the Construction of the Building complete presented by Mr Stanley Sawyer of Shelburne Falls and was for $1603.00 building complete.

The proposition for the construction of the building by Joseph Constantine was discussion and was laid over for the time being.

Mr Varney stated before the Board that as there was only one firm wishing a definite proposition from them and that was the Shelburne Falls Company.

The proposition of the Westinghouse Co was then presented and Read to part of the Board relating for one Gas Engine 185 horse power type SK-3 complete and ready to run for

Mr Bailey made motion that the Westinghouse Mfg Co be required to accept provided they would give a Bales Factory guarantee for the Gas engine set operation of the Engine for a Six months period of time

Second by Mr Ingermann

The vote being called resulted as follows.

Voting aye Ingermann Bailey Roth & Gray

Voting No Ebert

Motion declared carried.

The next thing taken up was the proposition for Switch Board and Generator from which were two propositions presented one from the Fairmont Electrical Supply Company of Wheeling and one from the Westinghouse Co. The one from the Federal Electrical Company was for $2600 for switch board and Generator Complete and the one from the Westinghouse Company was for $2500 for Switch board and Generator Complete

Mr Ingermann made motion that bid of the Westinghouse Co for switch board and Generator be accepted Second by Mr Bailey

The vote being called resulted as follows

Voting aye Roth, Bailey, Ingermann, Gray

Ebert not voting

Motion was declared carried.

Matter of Condemning Building was again taken up and discussed and it was decided that Mayor Dr Fracker be given a Chance to bid on the construction of the Building Complete

Mr Roth made motion that Clerk be instructed to receive bids for the Building until Thursday

Board met on called session Dec 28th 1903
and the following members answered roll call

John E. Gray
F. M. Eggleston
W. Bagenspun
Wm. Hoffa
Jesse A. Bailey

President Gray stated the purpose of the meeting to be
to complete arrangements and take further steps
to put the new electric light plant in.

Mr. Eggleston then presented and introduced the following
resolution to the Board for consideration.

A Resolution concerning Electric Lighting in the Town of
Cambridge City, Indiana; granting to the Cambridge City Light and
Power Company the right to construct and operate an Electric
Light and Power Plant in said town and to furnish it and the
inhabitants thereof Electric Light, Heat and Power;
Authorizing and directing the President and Clerk of said
town to enter into a contract with said company for lighting
the streets, alleys and public grounds of said town, upon
prescribed and conditions of the rights and franchises
therein granted. Providing for the erection and maintenance on the
streets, alleys or other public places of said town, such poles, wires
posts, masts, skeleton towers and other appliances or structures as
may be necessary for such purposes.

Whereas, The Town of Cambridge City is the owner and in possession
of certain real estate in Cambridge City, Indiana described as follows:
Commencing at the southwest corner of Front & Depot Streets
in the Town of Cambridge City, Indiana, thence south 3 deg and 30
Min, East, one hundred feet, thence west fifty six (56) feet, thence North
43 Deg and 30 min West, sixty two (62) feet; thence West 84 deg and
30 min South, thirteen (13) feet; thence North 43 Deg and 30 min West
Sixty Eight (68) feet, thence East 84 Deg, and 30 Min North, Seventy nine
(79) feet out to the place of beginning. Being a part of the Depot Lands
subdivided by Section twenty three (23) Township twelve (12), Range three
(3) East.

Whereas, Said real estate was purchased and is now held by
said Town for the purpose of erecting and maintaining thereon a water
works pumping station and a power house for an electric light plant.
Whereas, Said water works pumping station has been erected thereon by
Town but it has not at present the available funds sufficient in amount
for the erection of said Power House, or the Construction of said electric
light plant,

Whereas, The Cambridge City Electric Light and Power Company

ion proposes to the council of said Town, offers to establish an Electric Light Plant in Cambridge City, Indiana, for the sole purpose of said Town, and furnish lights to said town at an annual expense of $[illegible] and to grant to said Town the immediate control of said Plant, and an option which will enable it to own said plant for a certain sum at the end of ten years;

Sec. 1— Be it resolved by the President and Board of Trustees of the Town of Cambridge City, State of Indiana, That the right, permission and authority is hereby granted to the Cambridge City Light and Power Company, its successors and assigns to construct, maintain and operate an Electric light and Power Plant in the Town of Cambridge City, Indiana and to plant poles in streets and alleys of said town, and to string and maintain wires on, over, across and along said streets, alleys and public grounds, and the right, license and permission to set upon the real estate hereinafter described, to set up and maintain thereon the buildings of the said Power Company, and upon said real estate, all necessary machinery, and appliances to be used as part of such electric light plant or said Franchise may require and upon the said real estate, all necessary buildings and structures useful in the operation of said plant. All buildings placed upon said real estate and all machinery and appliances erected thereupon, shall be and remain the sole and exclusive property of the said Grantee and until the same shall be thereafter purchased by said Town of Cambridge City, at its option as hereinafter provides, or abandoned as hereinafter provided.

Sec. 2— Said Cambridge City Electric Light and Power Company shall construct, establish and put in operation, on the said Town of Cambridge City, using said real estate upon which to locate its machinery and electric light plant, having a capacity for 30 arc lights of 1400 candle power, and 600 incandescent lights of 16 candle power and to locate such arc lights at such places within the Town of Cambridge City, as the Board of Trustees of said Town shall direct. Said plant to be built and completed according to the plans and specifications now on file with the clerk of said Town. The contract price of said plant shall not exceed $14000,00 and the contract for the construction thereof shall first be submitted for approval to the council of Trustees of said Town of Cambridge City, all of its powers to the consideration of said plant—and $11 dollars 14000 00 to be paid by said Grantees.

Sec. 3— On completion of said plant as provided herein said Grantee shall lease to said Town of Cambridge City, all of the electric by generated in said plant until the use of said machinery, wires, poles and equipments or connections whatsoever, for a period of ten years from the first day of January 1901, for an annual rental of $1995,55. said rental to be paid monthly, which rental said Town of Cambridge City hereby agrees to pay as the same becomes due and payable.

Sec 4. The town of Cambridge City hereby reserves the option to purchase said plant at the consideration of said lease; that is to say, at the duration of five years, by paying said grantee, its successors or assigns, the dollar and relieving said Company from all duties and obligations under this resolution

Sec 5- In case the town of Cambridge City shall fail to exercise the option to purchase provided for herein, said Company shall lose the option to remove all its property from the above described real estate, and from the streets, alleys and public grounds of said town, provided said removal is effected within three months from the expiration of this lease, or may apply to said town and receive from it a grant extending its franchise for a further period of five years from the expiration of its ten years provided for herein, of such franchise to be without any conditions other than those of the present franchise, and said town hereby agrees to grant said extension of franchise, if said grantee shall fail to exercise its option as herein provided, and if said property shall not be removed as aforesaid within said period of three months, or if application for such extension of franchise, when asked in that event be refused, all right and title to and ownership in said electric plant shall at once revert to said town without further act or deed of any kind, and said grantee its successors or assigns, shall no longer have or exercise any right or claim of ownership therein and said town shall at once become the sole owner thereof.

Sec 6- Should the exercise of any option provided for in this contract be prevented or delayed by an injunction or any order of any court, or by any act of war, posting necessity, the time so lost shall not be counted in the period within which such option shall be exercised.

Sec 7- The said town of Cambridge City shall take and have immediate charge of said plant upon its completion, and shall retain the control and management thereof during a period of ten years thereafter, and shall employ and pay all necessary employees, and shall pay all taxes that shall be assessed against said plant, or against the company on account of said plant, and all charges if any that may during said period of ten years, accrue shall at all times within said period of ten years, keep said plant in good working condition and pay for all repairs thereto, and shall keep said buildings and premises belonging to or connected with said plant insured for the benefit of the grantee herein, all at the charge and expense of said town. In case of loss by fire, or other casualty, the money realized on insurance shall be devoted as aforesaid to the repairs or replacing of the property damaged or destroyed, and shall be owned, used, occupied and managed in the same terms and subject to the same conditions and provision provided for in relation to the original plant.

Sec 8 Said town shall furnish sufficient water for domestic and commercial use to the said plant free of charge for fire protection

and on such reasonable terms and conditions and at such reasonable prices as said Town Board shall adopt and fix, and that the lights so furnished shall during said period of ten years be known as all night schedule.

Sec 3. The President and Clerk of said Town of Cambridge City, Indiana, are hereby empowered and directed to execute a written agreement with said Electric Light Company, in conformity with this resolution.

Mr Roth made motion for the resolution be adopted as read and covered by 3rd preamble. The motion being duly seconded and the roll being called as follows, Ayes Messrs Hagerman, Roth, Bailey and Thomas. Noes None. Motion declared carried by the Chair.

The following contract was then read to the Board for consideration, to-wit:

This agreement, made and entered into this ___ day of December 1900, by and between the Town of Cambridge City, Wayne County, Indiana, party of the first part, and the Cambridge City Light and Power Company, Cambridge City, Indiana, party of the second part, witnesseth:

Whereas said first party is the owner and in possession of certain real estate in Cambridge City, Indiana, described as follows:

Commencing at the South West corner of Forte and Kapp's Addition in the Town of Cambridge City, Indiana, thence north 3 degrees and 30 minutes east one hundred and three (103) feet, thence north 43 deg and 30 minutes west sixty two (62) feet, thence west 86 deg and 30 minutes west thirteen feet, thence north 3 deg and 30 minutes west thirty eight feet, thence east 86 deg and 30 minutes north six hundred (600) feet to the place of beginning, being a part of the North East quarter of Section Twenty three (23) Township 16 North Range 13 East.

Whereas, said real estate was purchased and is now held by said first party for the purpose of erecting and maintaining there a water works pumping station and a power house for an electric lighting plant.

Whereas, said water works pumping station has been erected by said first party, but said first party has not at this time the necessary funds sufficient in amount for the erection of said power house, machinery, and electric light plant.

And Whereas, said second party in response to the request of first party offers to establish an electric light plant in Cambridge City, Indiana, to the satisfaction of said first party, and the said first party at its [illegible] of [illegible] and [illegible] said first party the [illegible] said plant, and on [illegible] said first party, to own said plant for a [illegible] of ten years.

Therefore the parties hereto have entered into the following contract and agreement:

First:- Said first party agrees to grant and does hereby grant unto the said second party its successors or assigns, the right to erect, maintain and operate an Electric Light and Power Plant in the Town of Cambridge City, Indiana and to string its wires on the streets and alleys of said Town, and to string and transmit same on, over, across and along said streets, alleys and public grounds, and the right, license and permission to enter upon the real estate hereinafter described; to set up and maintain upon the premises of the water works pumping station on said real estate, all such necessary machinery and appliances to be used as a part of such electric light plant, as said second party may erect and maintain upon said real estate, all necessary conductors and transformers and fixtures in its operation of said plant. All buildings placed upon said real estate and all machinery and appliances erected thereon shall be and remain the sole and exclusive property of the second party, unless and until the same shall be thereafter purchased by said first party at its option as hereinafter provided, or abandoned by second party as hereinafter provided.

Second:- Said second party agrees to construct, establish and maintain operation in the town of Cambridge City, using said real estate upon which to locate its machinery, and Electric Light Plant having a capacity of 30 arc lights of 1450 candle power, and 600 incandescent lights of 16 candle power, and to locate such arc lights at such places within the Town of Cambridge City as the Board of Trustees of said first party shall direct, said plant to be built and equipped according to the plans and specifications now on file with the clerk of said town of the first part. The contract price of said plant shall not exceed $14000.00, and the contract for its construction agreed upon shall first be submitted for approval to the Board of Trustees of said town of first page City, and the agreed price of said construction by said party not to exceed $14000.00 to be borne by said second party.

Third:- On completion of said plant as provided in the second section of this agreement, said second party agrees to lease and does hereby lease to said first party, all lights produced and all of the electricity generated by said plant, and the use of all the machinery, poles and appliances of every nature whatsoever; for a period of ten years from the 1st day of January, 1901. For an annual rental of $1993.88, said rental to be paid quarterly, at the end of the first party hereby agrees to buy of the said second party said plant at the termination of said lease, that is to say, at the expiration of ten years, by paying to said second party the sum of $14000.00, and to release said second party from all duties and obligations under this contract.

Fourth:- Should the first party fail to exercise the option of purchase provided for in item four of this contract, said second party shall have the option to purchase all the buildings and

above described real estate, and from the streets, alleys and public grounds of said town, by and from, and removal is affixed within three months from the expiration of this grant; or in case of default of the first party and reasons from said first party, to grant, extend and renew its franchises for the further period of five years from said expiration of the ten years provided for herein such franchises to be upon the same conditions, and both of said obligations of said parties each to the other respectively, assignees of the present franchises; and said first party further agrees to grant said second party franchises. If said second party shall fail to exercise its option as hereinbefore provided, and if said property shall not be removed as aforesaid within the time hereinbefore specified, or if said second party shall not within said period of three months apply for such extension of franchises, then and in that event the full right, title and ownership in said electric light plant shall at once vest in said first party without further grant or charge of any kind, and said second party, its successors or assigns, shall no longer have or exercise any right or claim to ownership thereof, and said first party shall at once become the sole owner thereof.

Sixth:— Should the exercise of any option provided for in this contract be prevented or delayed by an injunction or any order of any Court or by any act of governing necessity, the time so lost shall not be counted in the period within which such option shall be exercised.

Seventh:— It is agreed that first party shall have the immediate charge of said plant upon its completion, and shall retain the control and management thereof during a period of ten years thereafter and may make such additions and extensions as shall be for the betterment of said plant and all extensions and additions shall be owned and used as herein provided with relation to the original plant, and said first party shall employ and pay all necessary employees, and shall pay all taxes that shall be assessed against said plant or against said second party on account of said plant and all charges of any kind during said period of ten years, and shall at all times within such period of ten years, keep said plant in good working condition, and pay all repairs thereon; and shall insure all buildings and contents belonging to or appurtenant to said plant insured for the benefit of the said second party as its interest may appear, and in case of loss by fire, or other casualty, the money realized from such insurance shall be devoted exclusively to the repairs or rebuilding of the property damaged or destroyed, which shall be done, rebuilt, occupied and used on the same terms and subject to the same conditions as hereinbefore provided for in relation to the original plant.

Capitol:- It was agreed that said first party shall furnish light & power for and commercial use to the inhabitants of said town on their application, and on such reasonable terms and conditions, and at such reasonable price, as said town shall adopt and fix, and that the lights so furnished shall during said period of ten years be on all the streets & alleys.

Fourth:- This agreement shall be binding upon both parties hereto from and after its approval by the Board of Trustees of the Town of Cambridge City, Indiana, to execution by the president and clerk of said town, and its acceptance in writing by the party of the second part.

Mr Nash made a motion that the contract presented by the Cambridge City Light and Power Company be ratified and adopted and that the Board by the contract referred to in a resolution previously passed by the Board in which it authorizes the President and Clerk to sign and execute the above contract. Seconded by J. M. Fogerman.

The motion being put and the vote being called resulted as follows Voting aye Fogerman, Nash, Bailey, Bonn. Voting No Elwell. Motion declared carried.

Proposal presented from Westinghouse Church Kerr & Co for Engine and switch Board as follows

To the Cambridge City Light & Power Co

Gentlemen:

We propose to furnish, deliver and erect one (1) 85-H.P. 3 cylinder Westinghouse gas engine having cylinders 11" in diameter by 12" stroke of piston. Said engine is to be erected in conformity to the following specifications:

Cylinders: The cylinders and pistons to be made of especially hard and fine grade mixture of cast iron the pistons being packed with 3 snug rings.

Piston Pins: These pins are made of finest grade of refined cast, turned, ground to size, case hardened in fine meal and finished accurate to gauge on a grinding machine.

Connecting Rods: These are to be forged from best grade of open hearth steel, marine type, I section, with compensation for wear at both ends of the rod.

Crank Case: The crank case on both of which the cylinders are bolted, is very heavy, serving the double purpose of a rigid foundation for the engine and a receptacle for the lubricating oil. At the end of the case the main bearings are pressed in which the shaft revolves. Supports for center bearings between the cranks; these main bearings are very long, having large bearing surfaces.

The cranks and lower end of connecting rods are constantly submerged in the lubrication placed in the crank case insuring perfect lubrication. Access is had to the Crank Case by three removable covers on each end of the Crank case, leaving large openings through which the engine can be readily examined and adjusted.

Crank Shaft and Bearings: The crank shaft is forged from open hearth steel, the Crank fitted with cast iron counter balances, and the main bearings made compensating for wear by means of adjustable wedges.

Wheels: One standard balance wheel and one belt band wheel 54" in diameter by 12" face.

Igniting: The electric igniters are fitted in a removable plug secured to cylinder head by two studs through a projecting flange and easily removed for cleaning and inspection. A duplicate ignition will be furnished with the engine.

Valves: The engine is equipped with poppet valves throughout, all being mechanically operated, the exhaust valves being mounted in a plug in the cylinder head in the same manner as the igniter and the exhaust valve easily accessible through a removable plug over the valve.

Governor: This is designed to control the quantity of gas for each explosion so that the explosions shall take place regularly in each cycle of the engine regardless of load conditions and engages by means of rock shaft and levers to the regulating valve which thus supplies the combustible gas and air without changing the proportions of the mixture. The organized valve is fitted with attachments which indicate to the exact reading the rates of the mixture, and can be readily adjusted to suit any quality of gas.

Automatic Starter: This consists of an air pump and storage tank, from engine driven and started by the application of compressed air to one of the cylinders while engine explosions begin and terminate as in ignition.

Regulation: The engine shall be capable of regulating without variation more than 2½ per cent between the rated capacity of the engine and the variation from constant speed throughout one revolution shall not be greater than 2½ per cent

regulature shall be such as to permit the running
for considerable periods of two suitable poly phase alternating
generators direct driven by two engines.

Capacity and Economy. The engine is rated at 85 brake H.P. when
running at normal speed of 290 R.P.M.
On natural gas of 1000 B.T.U. per cubic foot the
engine will develop a brake H.P. above its
rated load on not to exceed 13 cu. ft. of gas

Guarantee; The above engine is guaranteed to be free from
defective workmanship and material, to operate
quietly and without undue noise or vibration,
And that all the materials entering into the
construction are the best of their several kinds.

Foundation. The purchaser shall install all necessary foundations
for the installation of engine, but we agree to
plans for the construction of the foundations

Piping We will furnish and install all necessary
pipe connections and fittings for the gas, air
and exhaust connections of the above engine
being understood, however, that the gas, water
and the necessary gas and water supply,
conveniently within the engine room.

Generator; We will furnish, deliver and erect
Composed of revolving, two phase, Westinghouse
rotating current generator designed to operate
at a speed of 290 R.P.M. and at a frequency of
Cycles per second, and for
Generator shall conform to the following detailed
Specifications:-

Armature; The armature shall be of the stationary drum type
and shall be provided with short
distributed windings; the coils
Slots as far as possible without
Commutator and Collector; The Commutator and collector
shall be insulated throughout with
shall be of sufficient Carrying Capacity for
Current to be handled. The Components
of current from the Commutator, shall be drawn
from the armature Circuit in such a manner
as to subtract, separate it from the heating
effect, current is producing in the armature.

Field; The field shall be designed either horizontally
Vertically to permit of easy access to the
armature. Pole pieces shall be of laminated steel
Cast solidly into the yoke and shall be of
shape as to reduce armature reaction to the
Minimum.

Lamps :- [illegible] to be [illegible], self adjusting type

Generator :- Rating :- The generator shall be capable of carrying its full rated load for a period of 24 hours without attaining a temperature in excess of 40° C above the surrounding air in any part. It shall further be capable of carrying an overload of 25% for a period of two hours without injurious heating

Parallel Running :- The generator shall be suitable for running in parallel with other generators.

Exciter :- Must be direct driven and deliver [illegible] volts. Standard speed 125 volts - Rating to be sufficient to excite the fields of this generator.

Switch Board :- The switch board is to be of the [illegible] type with [illegible] panels - and to be placed [illegible] Made of slate 1" thick mounted 12" from [illegible] portion on iron frame work. The [illegible] switch board will be supplied the following [illegible] of Apparatus :- 1 Volt meter on [illegible] 3 - 3000 amps Ammeters two 15 amps ammeters Combination Rheostat - [illegible] one ground detector receptacle and plug, [illegible] two pin plugs, one for [illegible] one switch, two double pole fuse [illegible] switch board [illegible] one pilot [illegible] and [illegible] for arc circuits.

Wiring :- The purchaser shall [illegible] all necessary [illegible] for connection of generator and exciter [illegible] Board, also the [illegible] of electric igniters for igniting gas engines. The [illegible] to furnish necessary [illegible] for the wiring and superintendence [illegible]

Delivery :- If this proposition is promptly accepted we will be able to ship and [illegible] in 30 days from approval of the accepted proposition.

Price :- We will furnish, deliver and erect the [illegible] Engine, Belt Electric apparatus as specified for the sum of $4870.00 for the Engine, $557.00 for the [illegible] and exciter and $30.00 for the [illegible] Total $5457.00

Terms :- Our terms the customary - price payable upon delivery of the apparatus. Terms [illegible] Delivered - Otherwise cash [illegible] payable net cash 30 days from date of presentation of [illegible] bring under these terms [illegible]

...cede 60 days from date of shipment.
...proposal to accept to the approval of an...
...Company and...
...days.

Respectfully submitted
Meeting [illegible] Church & Keyes

Cambridge Ont.
June 22nd 1914

Board met in regular session and the following Members answered roll call

J.E. Bray
F.W. Elliott
J.M. Ingermans
Wm Groton
Jesse A. Bailey

Minutes of last regular meeting read and on Motion adopted as read.

A Petition was presented and read from the Cambridge Creamery and Produce Company asking that water mains be extended to their Premises on Dundas St. Moved by Elliott Seconded by Bailey that 3/4 inch pipe be supplied Carried.

Matter referred to Water Works Committee for investigation.

Mr Donald Smith was before the Council in reference to 5% guarantee Bond due Smith and Bailey on their Contract. The matter was discussed by the Board and Mr Smith. Mr Smith agreeing to abide by the decision of the Town Solicitor in the matter.

Committee reports were then called for.

Finance Committee No Report.

Road Committee Mr Bailey says there is 17 Loads of Culvert broken under Smith and Bailey Contract that should be repaired.

Mr Groton of the Water Works Committee says he had talked to Mr Boyd about putting a Stop Cock in the engine house and Mr Boyd did not favor putting it in.

Mr Bray was for expense and Mr Bailey called to decide.

The matter of purchasing a Hydrant for the use of the Town yard was spoken up and Mr Williams of Ric Hanson Foundry Co. being called and having been examined by Mr Clark, Mr Elliott and Mr Ingermans. Mr Elliott made motion Clerk instructed to buy Hydrant and put in place of $50.00 Seconded by J.M. Ingermans Motion Carried.

On Motion bills to the amount of $2.25 were read referred to and allowed by the Finance Committee Mr Bray called me and Mr Bailey retired in his favor

Mr Brehm made motion warrants be drawn on treasurer for amounts as per account by Jill Mr Iverman
Motion Carried.
Matter of selecting an electrician for the lighting plant was taken up.
J.M. Ebert made motion that the applicants for the position be read and a ballot taken for the candidates. Second by J.M. Ingerman
Motion Carried.
A ballot was then taken with the Marshal acting as Teller and the following was the result of the ballot
E Horn Bailey 2 votes
E.A Haney 0
Eug Bar Wells 3 votes
Mr Wells having received a majority vote of the Board was declared elected Electrician for the lighting plant with the under standing that he should be a common laborer until the plant is installed after which he will have full charge. At a salary to be decided upon. Bills
No further business appearing a motion by Mr Ingerman to adjourn. Carried
Meeting Adjourned.

Jesse A. Bailey.

Pres. Gray announced the business of the meeting to be the rec. from E. T. Wright of the water and sewer Co. as to what progress Some arrangements I met with him for securing a water supply.

Mr Wright was present and stated that he would put a 6" tap to run a water Main in his rope and furnish 50 Fire Plugs at $1.00 each per year. Mr Wright also stated that it would take 3 taps to supply the pressure he desires for his purpose. Mr Bailey was present and made the statement to the Board that he would do the work of making the taps at $1.00 each for Fire service taps. He would require stone and wood to mark the location at your pleasure at each time, that being the difference between a 3/4 in tap and a 6 inch tap. Amounting in all to about $2.50. Motion was ordered to specify work to be done.

The matter of water rate was next taken up and Mr Ebright made motion Mr Wright rate be $35.00 per year for the whole building. Second by J. M. Ingermann with the understanding that the Water should not be run to exceed 10 hours per day. The motion being put Carried

No further business appearing a motion to adjourn Carried

Meeting adjourned

Wm. K. Nolt
Jesse A. Bailey

Minutes of last regular meeting read and on motion adopted as read.

A delegation of citizens was before the Board headed by the Rev. W. W. Montgomery and presented the following petition.

We, the citizens of Cambridge City, Called together at the interest of law and order, assembled at the Baptist Church on the evening of March 20th 1901, beg leave to submit for the consideration of your common Council the following petition.

That, whereas, it is a well known and commonly recognized fact that the laws of our state as it relates to the sale of intoxicating liquors has been subject to flagrant violations, that quarrelous has existed without consideration and believing such a disregard of law has been detrimental to all of the our interests, of your town, and to its good name abroad, We therefore do most respectfully petition your honorable body, and our town marshal, to use all the power committed to you to enforce the law commonly known as the Nicholson bill as it relates to the sale of intoxicating liquors.

We do further petition, that all means for the suppression of gambling or bar tenders and that all such Machines, that are of such a character of gambling, be removed from our town.

It is the desire of the citizens that this petition together with the action of your body thereon shall be published ~~[illegible]~~ in our local papers; the same will be reported to a public meeting of our citizens next Monday evening.

Signed

W. W. Montgomery
Oliver Hafford
M. Fitzgerald
E. O'Neil
Mollie A. Barefoot
Committee.

The Towns attorney was present and made a lengthy statement as to what duty it was to enforce the law and matters pertaining thereto was talked over by the Board and a number of citizens. The Board and the Marshal expressed themselves as being ready to enforce the law and as far as was in their power so to do, and the Board assured the Citizens Committee that they would take action on their petition before adjournment.

A petition was presented for a Street and was by Mr Morgan and Mr Mellie by Indiana Gales.

Mr Mellie & Morgan was present and answered numerous questions asked them after which

Mr Bailey made motion matter be referred to Law and Ordinance Committee Second by Heath motion carried.

Committee reports were then called for.
Finance Committee reports 58 & 37 on hand.
Street Committee no report.
Water Works Committee Mr Ebert Chairman made the following report.

To the Board of Trustees
Gentlemen—

A cistern has been built at the water works by Contractor Sorrell & Co. and since I have the cistern used both water for a time, I do not think it will answer the purpose as it was not built according to Plans and Specifications and therefore not as good a cistern as we wished to have constructed. Cistern measures 6 x 8 ft. and should measure 8 x 8 ft. Specifications calls for a 6 inch grouting for the bottom and then 3 in a concentration brick as grouting. The grouting back of wall should have been put back and is scant two inches and the inside finish appears very rough.

Mr Ebert finishing interrupted
F M Ebert Chairman W W Co.

Matter of cistern referred back to the water works board. Mr Ebert also says the water mains needed to be overhauled out. Matter referred to W W Com.

Fire & Law & Ordinance Committee presented the following ordinance.

An ordinance requiring railroad companies to light the street crossings in the Town of Cambridge City, Indiana.

Section 1. Be it ordained by the President and Board of Trustees of the Town of Cambridge City, Indiana, That all railroad companies running, operating or managing railroads into or through the Town of Cambridge City, Indiana, are required to maintain, at every street crossed by a railroad track, an electric light or lights of sufficient power to protect people while crossing said railroad upon said street, and said light shall be maintained atleast one half hour before and one half hour after each engine, car or train of cars passes over such street crossing during the whole of every night. Provided, that no light shall be required to be of greater power or maintained in a different manner than those used to light the streets of said town.

Section 2. Any railroad company failing to comply with the provisions of the foregoing section of this ordinance shall, upon conviction of any such violation, be fined in any sum not less than Ten Dollars nor more than Twenty-five Dollars, and the passage of each engine, car or train of cars, without the crossings being lighted as herein provided, shall be deemed a separate offense.

Section 3. This ordinance shall be in full force and effect from and after its publication according to law and a certified copy thereof delivered to the local agent of each railroad company.

Mr Bailey made motion ordinance be adopted as read seconded by Webb.
Motion Carried.

The President announced the meeting to be for general business.

The first thing taken up and considered was the acceptance of the street car franchise by Mr Chipman and and the acceptance of his check certified to by Capitol National Bank of Indianapolis Indiana, for $1000.00

The following ordinance was then presented and read

AN ORDINANCE, approving the sale and transfer to the Central Traction Company, its successors and assigns, of all the rights, privileges and franchises, heretofore granted by the town of Cambridge City, Indiana to John W. Chipman, in and by an ordinance of the Trustees of said town, passed on April 23d, 1901, and entitled, "An ORDINANCE authorizing the construction, maintenance, and operation of a street railway in and upon certain streets in the town of Cambridge City, Wayne County, Indiana, together with regulations relating thereto, and fixing penalties for the violation thereof", and confirming unto the said company all the rights, privileges and franchises of the said Chipman, subject to all the duties, and obligations under which said rights, privileges and franchises have been heretofore held by said Chipman, and authorizing the acceptance of said ordinance by said company in lieu of said Chipman.

WHEREAS, JOHN W. CHIPMAN, of Indianapolis, Indiana, has sold and transfered to the Central Traction Company, its successors and assigns, all the franchises, rights and privileges heretofore granted to him and his assigns by the Trustees of the town of Cambridge City, Indiana, subject to all the obligations and requirements heretofore imposed upon, and now resting on the said Chipman,

THEREFORE, SECTION 1. Be It Ordained by the Board of Trustees of the town of Cambridge City, Indiana, that the sale and transfer heretofore made by John W. Chipman of Indianapolis, Indiana, of all the rights, franchises and privileges in the town of Cambridge City, heretofore granted to him, his successors and assigns, by the Trustees of said town, in an ordinance passed April 23d, 1901, and entitled, "An ORDINANCE authorizing the construction, maintenance and operation of a street railway in and upon certain streets in the town of Cambridge City, Indiana, Wayne County, together with regulations relating thereto, and fixing penalties for the violation thereof" subject to all the duties, conditions and obligations heretofore imposed and now resting on said Chipman, be and the same is hereby in all things ratified and approved, and all said rights, privileges and franchises heretofore possessed by said John W. Chipman are granted to and confirmed in said Central Traction Company, its successors and assigns, subject to all the duties and obligations as rested on said Chipman, provided that this ordinance ratifying and granting to the said John W. Chipman the right to transfer the franchise heretofore granted to him and herein referred to, to the Central Traction Company shall in no wise give him the right to withdraw the check for One Thousand Dollars, ($1000.00) that the said Chipman has placed on file with the Treasurer of Cambridge City, Indiana, as a guarantee that the said Electric street railway shall be commenced within four months and finished within sixteen months from the granting of said franchise, upon failure of which the said sum of One Thousand Dollars shall become the property of said Cambridge City, Indiana.

D E Gray Pres

Council Chamber

Cane Bridge Alta

May 29th 1906

Board met in pursuance of a call for a special session with all members present. The President stated that this meeting was in lieu of the meeting post poned from the 28th inst. Mr Wm Hoover was before the Board with reference to the opening of an alley between main street and Church street in East Cane Bridge, being the first alley south of Main Street. Mr Hoover complained that without this alley being open he could not get up to the rear of his premises and it was therefore very inconvenient and prayed that the Board would take the necessary steps to open said alley proposed. Mr Simpson, owning property south of the alley was also present and stated to the Board that no such alley existed and from the best of his knowledge and belief never had existed. This matter was discussed pro et con at length by the Board and the parties concerned and the matter was on motion referred to the street committee to get an opinion from the attorney for the town.

Mr J M Hunter of the 3rd electoral district was before the Board and wanted the Board to allow him for last months lighting bill, the matter of his removal, his old pole was taken up and he assured the Board he will saw off all the poles in the sewer water pipe past the surface of the ground or more if the Board will let the Board contract 20 feet of what is now there, to cut the poles down a foot below the top of the sewer water and fill them up and finish them off level with the surrounding water, with the understanding that any balance is well to be paid him after the work is done to the satisfaction of the Board. The above proposition was accepted by the Board.

Mr Simmons was before the Board and the matter of signing up contract for bridge was discussed. Mr Simmons stated to the Board that if the Board could get the money to pay for the Bridge when completed he would furnish the money and the Board would not need to bother about the signing of the contract.

The contract was then presented and read through and discussed after which Mr Cook made motion that contract be approved and accepted, and that the Chairman and President be authorized to sign the same in duplicate. Seconded by Mr Simmons. Motion Carried all voting ayes.

Committee reports were then called for

Mr Bray Chairman of the Streets Committee reported work on streets progressing very nicely and further that the Committee had made arrangements to have Mr. Wm. Jones, June 3rd 1901, with Buckets Wrods and Tar Kettles to do the work of removing all Gravel, also that the East end of Main Street from Center Street to the Bridge needed some work done, also Penn Street from Main to Church was badly in need of repair, otherwise streets were in very good condition.

Mr Ehrhart of the Water Works Committee says he will ready to go to work for us in a few days, just as soon as the material arrives.

Mr Bowmaster of the Law & Ordinance Committee reported on account of being sick early in the morning had left the following ordinances, which was presented and read with reference to painting and removing poles

AN ORDINANCE RELATING TO THE WESTERN UNION TELEGRAPH COMPANY, THE CENTRAL UNION TELEPHONE COMPANY, THE CITIZENS TELEPHONE COMPANY AND ALL OTHER COMPANIES OR CORPORATIONS MAINTAINING POLES OR POLE LINES IN, ON OR ALONG ANY OF THE STREETS, ALLEYS OR PUBLIC GROUNDS OF THE TOWN OF CAMBRIDGE CITY, INDIANA, AND REQUIRING THEM TO PAINT THEIR POLES AND REMOVE ALL DEAD OR UNUSED POLES FORTHWITH FROM THE STREETS, ALLEYS OR PUBLIC GROUNDS.

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE TOWN OF CAMBRIDGE CITY, INDIANA.

SECTION 1. Be it ordained by the President and Board of Trustees of the town of Cambridge City, Indiana, that the Western Union Telegraph Company, the Central Union Telephone Company, the Citizens Telephone Company and any other company or corporation maintaining poles, poles or pole line, in, on or along any of the streets, alleys or public grounds, be and they are hereby required to paint their said poles and remove all dead or unused poles forthwith from off the streets, alleys or public grounds.

SECTION 1. Be it further ordained by the President and Board of Trustees of said town, that said poles shall be painted two coats, from the ground up seven feet to be painted black, and from that point to the top they shall be painted white two coats, using the best white lead and oil, all of which shall be done to the entire satisfaction of the town Board.

SECTION 2. Be it further ordained by the President and Board of Trustees of said town, that all dead or unused poles shall be removed forthwith from off the

streets,alleys or public grounds of said town,and the streets,alleys or public grounds left in as good condition as they were prior to such removal and that all holes shall be filled up,tamped and made to correspond to the surrounding ground. Provided,that wherever a pole is set in the paved sidewalk the same must be taken out and the hole filled and tamped up to the bottom of the walk upon which must be placed a concrete fill to within one inch of the top of the walk and a one inch surface coat shall be put on the concrete and finished off flush with the surrounding walk in a first class workmanlike manner,and to the entire satisfaction of the town Board or the town Civil Engineer.
SECTION 4. Be it further ordained by the President and Board of Trustees of the town of Cambridge City,Indiana, that all of said poles shall be painted and dead poles removed within thirty days from the passage of this ordinance.
SECTION 5. It is hereby declared that an emergency exists for the immediate taking effect of this ordinance the same shall therefore be in force and effect from and after its passage.

Minutes of last regular meeting read and on motion adopted as read.

Minutes of called meetings read and on motion approved as read.

The President stated that the first thing in order would be the election of a member of the School Board to succeed Chas H Beck whose time had expired. by Consent of the Board it was decided that the election be by secret ballot to and a Digest and manuscript were authorized to act as tellers. The Vote being taken resulted as follows.

Frost Fearn received three votes and J T Mayo received two votes. Mr George H Fearn having received a majority of the votes cast was declared elected School Trustee for a term of three years to succeed himself.

Committee reports were then called for.

Finance Committee has Report.

Mr Fray Chairman of the Street Committee reports work on Streets progressing nicely and that the two day road work ordered to be done by Wednesday next.

Mr Eberle of the Water Works Committee reports the Street sprinkler as having been made, but did not think it sufficient to furnish the necessary amount of water and that the sprinkler complained of the distance he had to pump water, and on this opinion there should be another sprinkler in the ward and hence suggested that it be made on Walnut Street. Also the bridge over Lick Branch. Mr Eberle reported culverts at works station in good condition and that no water ought to be accepted.

Mr Bowman then moved that the matter of additional water be referred to the Water Works Committee for consideration and report, Seconded by Mr Reid.

Motion Carried.

President Fray then asked to be excused which request was granted and upon retiring he called Mr Prindle to preside

Fire and Ordinance Committee No Report.
Electric Light Committee no Report.
In connection with the Street Committee report Mr Bowman called the attention of the Board to the fact that a new gate to the entrance to the Cemetery was very much needed. Mr Bowmaster says one of Manufacturers self opening gates could be got for $25.00 and in his opinion that would be about the best one of them. The matter was talked over at length and the matter was on motion referred to the Street & Cemetery Committee.
The matter of a new hose mower for the Cemetery was talked over at length. Mr Roth made motion Matter be referred to Street and Cemetery committee to ascertain the price of a mower. Seconded by Mr Bowman

Motion carried.

Law and Ordinance Committee presented the following ordinances.

AN ORDINANCE.

[illegible] Ward to keep [illegible] and other weeds, fixing a penalty for the violation of the provisions of this ordinance for the enforcement thereof.

Section 1. Be it ordained by the Pecatonica and Board of Trustees of the [illegible] Illinois, [illegible] that it shall be unlawful for the owner, occupant or person in charge of any lot or premises within the corporate limits of said town, to allow, suffer or permit Canada thistle, common thistle, cocklebur, burdock, ragweed, sheep sorrel, quack grass, jimson weed, sloughgrass, smartweed, wild mustard, wild carrot, chicory, dandelion, milkweed, burr weed, tumble weed, ragweed, wild lettuce, or any other noxious weeds to grow, stand or remain upon such lot, or on the street or public alley along the side or in front of such lot, within the corporate limits of said town.

Sec. 2. The owner, occupant or person in charge of any lot, lots or premises within the corporate limits of said town, is hereby required to cut down, destroy or remove all such noxious weeds growing upon such lot, lots or premises, as often as the same shall be necessary to prevent the ripening of the seed of such noxious weeds, and to prevent the same from spreading to the adjoining lots, premises or streets, and shall cut down, destroy or remove such noxious weeds within the limits of the street or alley adjoining such lot, lots or premises, between the center of the street or alley and the property line of such lot, lots or premises.

Sec. 3. Any person who shall violate any of the provisions of this ordinance shall be fined not less than [illegible] dollars nor more than [illegible] dollars for each and every offense, and each day that such violation shall continue shall be deemed a separate offense.

Sec. 4. The Marshal of said town is hereby authorized and empowered to enforce the provisions of this ordinance, and to cause the destruction of such noxious weeds growing upon such lot, lots or premises, and the cost of such destruction shall be charged against the owner of such lot, lots or premises, and shall be collected as other taxes are collected.

Sec. 5. This ordinance shall be in full force and effect from and after its passage and publication according to law.

Passed and approved July 24, 1911.

AN ORDINANCE.

Providing for the destruction of noxious and other weeds, fixing a penalty for the violation of the provisions of this ordinance for the enforcement thereof.

Section 1. Be it ordained by the Pecatonica and Board of Trustees of the [illegible] Illinois, [illegible] that it shall be unlawful for the owner, occupant or person in charge of any lot or premises within the corporate limits of said town, to allow, suffer or permit Canada thistle, common thistle, cocklebur, burdock, ragweed, sheep sorrel, quack grass, jimson weed, sloughgrass, smartweed, wild mustard, wild carrot, chicory, dandelion, milkweed, burr weed, tumble weed, ragweed, wild lettuce, or any other noxious weeds to grow, stand or remain upon such lot, or on the street or public alley along the side or in front of such lot, within the corporate limits of said town.

Sec. 2. The owner, occupant or person in charge of any lot, lots or premises within the corporate limits of said town, is hereby required to cut down, destroy or remove all such noxious weeds growing upon such lot, lots or premises, as often as the same shall be necessary to prevent the ripening of the seed of such noxious weeds, and to prevent the same from spreading to the adjoining lots, premises or streets, and shall cut down, destroy or remove such noxious weeds within the limits of the street or alley adjoining such lot, lots or premises, between the center of the street or alley and the property line of such lot, lots or premises.

Sec. 3. Any person who shall violate any of the provisions of this ordinance shall be fined not less than [illegible] dollars nor more than [illegible] dollars for each and every offense, and each day that such violation shall continue shall be deemed a separate offense.

Sec. 4. The Marshal of said town is hereby authorized and empowered to enforce the provisions of this ordinance, and to cause the destruction of such noxious weeds growing upon such lot, lots or premises, and the cost of such destruction shall be charged against the owner of such lot, lots or premises, and shall be collected as other taxes are collected.

Sec. 5. This ordinance shall be in full force and effect from and after its passage and publication according to law.

Passed and approved July 24, 1911.

Auburn corporation proposed to donate $50.00 and Mr. Pillsbury $25.00 for lowering the grade at top of hill four feet. The matter was taken over fat length by Gentlemen present and the members of the Board. Mr. Knowles who lives in the immediate vicinity of the proposed cut was present and entered an objection to any lowering of the kind being done, he says it would ruin his sidewalk and put him 3 steps off the road so for that he could hardly get in and out with a buggy wagon.

Mr. Bowmaster made motion proposition as above be referred to the street Committee, Second by Mr. Roth motion Carried.

Mr. Charles Merriss was before the Board with reference to some words on the street he made quite a lengthy talk trying to convince the Board that the street is badly needed.

Mr. Bowmaster made motion matter as above be referred to Street Committee for investigation seconded by Mr. Eberle Motion Carried.

Henry Stolbrock was before the Board and made complaint against garbage in south of the railroad tracks.

No action taken in matter.

Complaint was made about the manner in which the garbage was being collected and it was decided by Board to Hold a meeting Thursday P. M. at the garbage room.

Committee reports all were then called for

Finance Committee no report

Street Committee Mr. Frank Hausmann says the work on the streets is going on nicely he says the

Sewer ordered for Embossed Covers over Creek, but had not as yet been
[illegible] Also reports Penna Street as having been cut down,
graded and graveled from Main Street South to the 1st
Alley South of Church Street. Also reported having got
permission from George H Peck to cross Ewing's property
with Corded wagons going on South Side
to the new additions.
In the matter of Main Street — Mr Boorman made
motion Street be cut down 6 inches and graveled
Second by Mr R. H.

Motion Carried

Water works Committee Mr Ebert Chairman reports Coons
cleaned out as time at Water Works Station, also that
the Committee on Contracts directed a Sewer Connection
through [illegible] to be let to Contract Specifications
Engineer [illegible] to be at once issued to Mr Peck
Sewer Pipe [illegible]

Committee on Streets that Street Machine Superintendent
the Contract [illegible] Superintendent

Matter referred to Water Works Committee for immediate
attention.

Law and Ordinance Committee Mr Boorman Chairman
presenting and ordinance concerning Street Lighting by
Rail road Companies.

Mr Ebert made motion ordinance be laid over
until next regular meeting second by Mr Boorman

motion Carried.

The Law and Ordinance presented an ordinance prohibiting
the riding and driving on the side walks

Mr Ebert made motion ordinance be laid over
by Boorman

This motion brought forth considerable discussion after
which it was withdrawn the ordinance was taken from
and put on its passage

An Ordinance

Prohibiting the running of carts, express wagons and horse
horses over and along the side walks of the town of Cambridge
City Indiana providing penalties for the violation thereof
and declaring an emergency.

Section 1. Be it ordained by the President and Board
of Trustees of the town of Cambridge City Indiana that
it is hereby declared unlawful for any person or persons
to drive, pull, move or cause to be pulled or moved
over, along or upon any of the sidewalks of said town
any vehicle of the cart, express wagon or other horse
pulled or [illegible] to cross the same

Section 2. Be it further ordained by the said President and Board of Trustees of said town that any person violating any of the provisions of this ordinance shall be fined not less than one dollar nor more than twenty five dollars and cost and every time such violation shall be found running on the said alley shall be deemed and taken as a separate offense.
Section 3. Be it further ordained by the said President and Board of Trustees of said town, that an emergency exists for the immediate taking effect of this ordinance, the same shall therefore be in full force and effect from and after its passage.
Mr Pettit said another ordinance should be adopted and passed by Mr Brumbaugh
Motion Carried.
Electric Light Committee Mr Pettit Chairman reported bill of Appelt Bros as being under course of construction and would be completed in eight days.
Mr Brumbaugh made motion bills be referred to the finance Committee for approval seconded by Mr Clark motion carried.
Bills to the amount of were read referred to and approved by the finance Committee.
The two bills of A R Fennel was referred to the Electric Light Committee for investigation.
Mr Pettit then made motion warrants be drawn on Treasurer for amounts approved seconded by Mr Brumbaugh
Motion Carried.
No further business appearing a motion by Mr Brumbaugh to adjourn seconded by Mr Brumbaugh carried and meeting adjourned.

vol S 190

Board met in regular session — and the following were present, to wit:

Wm. L. ...
J. M. Wood,
M. L. Bowmaster,
W. A. Bell,
James R. Preble,

Minutes of last session read & approved — and on motion of Mr Bell, seconded by Mr Preble, same was approved &c &c.

Mr A.R. Feemster was present and presented the following resolution and explained the same and moved that it be adopted

Preamble and Resolution authorizing and directing H.B. Williams, Jesse and George W. Lee, as Trustees of the Cambridge City Co-operative Society a certain parcel of ground described as Albert Reeves Lot 17 in Block 12, West of the River and North of the National Road in Cambridge City, Indiana.

Whereas, It appears before the Board, to-wit, on the 20th day of May 1861 Thomas Campbell and wife Catharine, Lot 19 in Block 12 West of the River and North of the National Road in the City of Cambridge City, Indiana, to Evan Hughes, Melvin Mendenhall and Joseph R. Henry, as Trustees of Cambridge City School District for School purposes"

And whereas, afterwards, to-wit on the 25th day of May 1861 John Calloway, Cleophus Mendenhall and Isaac H. Hoover, Trustees of said Cambridge City School Corporation sold said real estate to Mrs Elizabeth Wilson, and put her in possession thereof, and attempted to convey the same to her

And whereas, said attempt to convey said real estate is ineffectual in this, that the paper purporting to be a deed executed by said last named Trustees, in granting clause thereof names as the Grantees "Evan Hughes, Joseph R. Henry and Isaac R. Johnson as Trustees of Cambridge City School District" and in the Conclusion and attestation names the same persons. But said paper is signed by John Calloway, Cleophus Mendenhall and Isaac H. Hoover, Trustees and not by Evan Hughes, Joseph R. Henry and Isaac R. Johnson, Trustees and the Board of Commissioners of Wayne County, Indiana, by their order duly entered of record, directed the Auditor to execute a deed to Albert Reeves by his name Countersigned by the Auditor

Now Therefore Be it Resolved by the President and Board of Trustees of the Town of Cambridge City, Indiana, That a valid quit Claim Deed for said

should be made to Albert Ross Taylor and John
Peck a deed for, and as Bonds ordered to be made and
Wm. H. B. Bigelow, William Gilbert and George H. Rice, the
three, whereon said grantees to Trustees of the Cambridge
Seminary Corporation, called the Cambridge Seminary
in the place of the execution of said deed to said
Cambridge and were by said Trustees authorized
and directed to receive the same
and for said Seminary

[illegible]

Be it Resolved *by the* Board of Trustees of Cambridge City, Ind. *That the aforesaid report and final estimate of the Civil Engineer made and filed herein, be and the same are hereby approved and adopted.*

And that said respective sums so charged against said respective lots or parcels of ground as shown in said report and final estimate of said Civil Engineer, together with ~~six~~ *per cent. per annum interest thereon from this date, payable semi-annually, be and the same are hereby assessed against said respective lots or parcels of ground in the names of the respective owners thereof as above shown, and the said assessments shall be and constitute a lien upon said respective lots and parcels of ground the same as taxes are a lien upon such property, and the Clerk and the Treasurer are hereby directed and required to place the said assessments so made upon the* ~~Duplicate~~ *Treasurer's Duplicate and charge the same thereon against said lots and parcels of ground respectively as follows, to-wit:*

The assessments against all lots and parts of lots, the owners of which have filed their promise and agreement with said Clerk waiving all illegality or irregularity as to such assessments, shall be charged thereon as follows:

Ten per cent. thereof for each successive year for ten years, with interest thereon as aforesaid. Said first installment of ten per cent. shall be due and payable when the first tax falls due, and payable after the date of the making of this assessment, and said other installments respectively, with interest as aforesaid, shall become due and payable when taxes are due and payable each succeeding year thereafter during said period of ten years, and upon default in payment of any of said installments the same shall be collectible in the same way that taxes are collectible, or by foreclosure or precept and sale as provided by law. And the assessments against all lots or parts of lots, the owners of which have not filed such promise and agreement in writing, shall be charged thereon, and said Clerk and Treasurer shall require the owners of the lots against which the same are so charged to pay such assessments in full immediately. And upon default thereof for twenty days the same shall be enforced by precept and sale, or by foreclosure as provided by law

And be it further Resolved. *That Improvement Bonds be issued for the amount of waivers filed or to be filed herein, as provided by law, and in such manner as the* Board of Trustees *shall by ordinance hereafter determine.*

Board met in regular session and the following members answered to roll call

J. E. Young
A. M. Elliott
M. L. Bowman
W. A. Rose
James A. Brooks

Minutes of last regular meeting read and on motion were approved as read.

Minutes of Called meeting were then read and on motion were approved as read.

Mr W. A. Doney was before the Board and made a long statement with reference to a franchise that desired to locate here. He owned the ground is south of the D. M. & C. R. R. and East of the Belt Railroad into the factory addition and part of the ground recently from D. L. Mullin by deed to J. M. Doney says that foundry will cost from 15 hundred to start with and continue to increase as the business demands. The main building will be 40 x 70 with numerous shedsetc. Mr Doney said his factory or foundry would be constructed at Mr Champs and not in addition to the ground Mr Champ wanted for water for a term of years.

The matter was discussed at length by the Board Mr Bowman then made motion Board grant Mr Champ request and stipulate in the deed that the land shall be used for the purpose for which it was deeded the land to revert to the town and that Mr Doney be authorized to state the above to Mr Champ.

Second by Mr Elliott Motion Carried all voting Aye

Mr Bowman then made motion President and Clerk be authorized to execute a deed in due form of law.

Seconded by Mr Rose Motion Carried.

Matter of assignment of Sprague & Hughes was then taken up. Mr Rose made motion Clerk petition Court to Jackson & Han for confirmation and after confirmation execute Papers. Second by Mr Bowman Motion Carried.

Committee report to were then called for Mr Brooks of the Finance Committee says the committee find no special report to make but that there is need a resolution in regard to

Whereas the Treasurer & Auditor of the Board of Health of this town have found it necessary to make a temporary loan of $1000.00 on orders as Mr Prince & Sons proposal to loan the town the same amount up for a term of one year at the rate of 8% and whereas it was the opinion of the committee that they were able to loan money at a lower rate of interest than 8% per annum for the sum of $1000.00 each for the same Therefore it Resolved by the Board of Health and Board of Selectmen of said town that the action of the Treasurer & Auditor in so much as he hereby approved by the Board of Health.

Mr Rotch made motion Resolution be adopted as read Second by Mr Bowman.

Motion Carried.

Voted to accept the report of the Board of Health for the year ending June 30th 1900 as their annual report.

Cambridge Mass. June 14th 1900

Gentlemen of the Board of Health

I hereby make my annual report as Health officer of Cambridge Mass.

Deaths during the year	29
Males	19
Females	10
Births	27
Male	14
Female	13

Five cases of Typhoid Fever with one death. Measures were taken to prevent the spread of the disease. Eight cases of Scarlet Fever imported with no deaths.

The Sanitary condition of the town is as good or perhaps better than the average town of the same population. Sporadic cases of zymotic diseases will continue to occur until the people awaken to the necessity of pure drinking water. The Public Health Authorities will use their best endeavors to carry out the directions of the Board of Health and Board of Selectmen for the benefit of the Public.

Respectfully

J. E. Brann

W.A. Roth
James S. Bramble

The President stated the purpose of the meeting to hear the report of the Committee that went to Indianapolis to meet Mr Chipman.

Mr Roth Chairman of the Committee says the Committee waited upon Mr Chipman as per instruction of the Board and that Mr Chipman was very much opposed at the action of the Board, as he said he had been in good faith all the time but since the Board had sent a representative body he did not know what to do under the circumstances but call a meeting of their Board of Directors. Mr Roth says the Committee had stated the existing condition over here in the street rail road matter and had advised Mr Chipman of the action of the Board in having presented an ordinance rescinding his franchise.

Mr Roth stated that Mr Chipman had called their Board of Directors together and they had since they had been apprised of the Boards action, decided to say to the town that if they will return the expired Cheese they will surrender their franchise and save the town harmless from any further liability or damages, on account of said franchise

Mr Ebert and Mr Bowmaster made statements fearing out the above statements of the Chairman of the Committee.

Mr Shirley was present and made a lengthy statement concerning the Law in cases of the above character, the Board then took up the matter and discussed the matter at length.

Mr Bowmaster then made motion that the report of the Committee be received and the Committee discharged. Second by Mr Bramble

[illegible] consisting of an
[illegible] bought with the
[illegible] certain certified
[illegible] Cambridge
[illegible] Full publi-
city [illegible] After some discus-
sion said proceeding was adopted
[illegible]

[illegible] that a committee
[illegible] Mr. Pautre and
[illegible] Chipman & Eastern
[illegible] Traction Co.
[illegible] as to whether we will hold
[illegible] to be opened
[illegible] and matters
[illegible] as to whether Mr. Chip-
[illegible] forfeited the check.
[illegible]

[illegible] Motion having been
[illegible] This commit-
[illegible] and will report upon
[illegible] courtesy.

Yours respectfully,
J. E. GRAY, President.

Attest: DAN. E. PETRO, Town Clerk.

The president appointed W. A. Roth and Clerg Petro a committee to wait on Mr. Chipman. Armed with the authority of the foregoing letter Mr. Roth and Mr. Petro went to Indianapolis and had a conference with Mr. Chipman and others of the traction company there. The result was that the traction company paid the two hundred dollars, surrendered the franchise, and released the town from all obligations. This matter with Mr. Chipman is therefore now settled and the town is free to receive applications for an electric street car franchise from other parties.

J. E. GRAY,
President Board of Trustees.

Council Chamber

Cambridge City May 2nd 1902.

Board met in called session and the following members answered roll call

John E Gray
F M Elliott
M L Bowmaster
W A Roth
Jame S Truman

President Gray stated the purpose of the meeting to be for general business.

The first matter taken up was the appointing of an Auditing Committee to audit the accounts of the Mors Hall and Clerks transfer.

The President appointed the following and the Committee, Mr Perkins Mr Roth & Mr Elliott

It was then decided by consent that adjournment take place should take place on the 10th inst.

Matter some way adjusting the street railroad situation was taken up and discussed at good length by all the members of the Board. After this discussion Mr Roth made motion that a Committee be appointed to go to Indiana Polis and confer with Mr Chapman and Mr Truman and see if they will pay all the expense the town has incurred in the granting of this franchise otherwise we will hold the Check until expiration of term specified in section 7 of said franchise and matter is fully decided as to whether Mr Chapman has or has not forfeited the Check

Second by Mr Bowmaster

Motion Carried

The President then appointed the following Committee to wait upon Mr Chapman and Mr Truman. Mr Elliott and Clerk Peters, Mr Elliott refused to serve upon the Committee and the President then appointed Mr Roth instead of Mr Elliott.

No further business appearing a motion by Mr Elliott Second by Mr Bowmaster to adjourn Carried unanimously adjourned.

Says he has not been able to get Mrs Wood's bill as yet also asks for further time to report upon Electric light Bonds. time granted

Mr Ebert Chairman of the Street Committee reported not having found a place for the garbage as yet. also reported having examined Cemetery Fences and found it in very bad repair but had not made deeds any repairs as also had had the surveyor do the necessary surveying on Poland Home Fence also had had the ground leveled to the curbing as per direction of the Board. also had stone at Lizzie Conner Account also had put in the fence at Bartlett's Yard also had curb lines established by the surveyor as per ordinance also the removal of Pullen's Shed and goods. also had examined Sewer at Shaffer's Corner. Had complaints about sewer and found that it could be run down Chester St to the Creek

gutter, also reported that Mrs. Virginia wanted 10 lbs.

road for gravel".

The Water Works Committee Mr Bowmaster Chairman says in sinking the well at the Water Works they had gone down about 40 feet through gravel & sand & that depth had struck a vein of clay, had gone through the clay and struck a vein of gravel, after that they had struck a finer vein of sand & then over and had stopped the work pending the action of the Board in the matter. This matter was discussed at length and referred to the water works Committee for action.

Mr Bowmaster of the Law and Ordinance Committee says that the ordinance against allowing horses to run without being hitched should be enforced. Also wanted the following ordinance

Be it Ordered by the Board of Trustees of the Town of Saugerties, N.Y. That the Chairman of the Street and Bridge Railway from Barrytown to Saugerties be and hereby is requested to reduce the two hills on the eastern part of said town on Main Street and the hill at the west corporation line of said town on said Main Street to a grade to be hereafter adopted and established by this Board, the said Street Railway Company to excavate the shortest and points the full width of the draw way and gravel so much thereof as it occupies for its tracks and for eighteen inches on the outside of its outside rails at its own expense, the said town at its own expense to gravel the rest of said road way and extend the stone culvert on the low ground between the two hills on east Main Street to such a length as will accommodate the fill to be made by the dirt taken from said hills.

Mr Bowmaster made the foregoing resolution by authority and second by Mr Brewster Motion Carried.

Mr Bowmaster then made motion that the office of Superintendent of the Water Works and Electric Light Plant be merged into one and that Wm Brewster be elected to hold said office. Second by Wm Smeallie. Motion Carried.

Mr Bowmaster then presented the following Resolution concerning the duties of the Engineer and Electrician of the Water Works and Electric Light Plant.

a Resolution

Whereas the Board of Trustees of the Town of Cambridge City, Indiana, are desirous of having the water works and Electric Light plant run to best advantage to the public; and Whereas the Chief Engineer, the Assistant engineer and the Electrician have their duties defined and their hours of service set aside; and Whereas, the Board of Trustees deem it wise to fix the duties and terms of those employed; Therefore be it Resolved by the President and Board of Trustees of the Town of Cambridge City, Indiana that the duties and hours of the employees of the Water Works and Electric Light Plant be and the same are hereby fixed and fully defined as follows, to-wit:

It shall be the duty of the chief engineer of the Water Works Plant to have sole consideration, care and painstaking care of all the machinery of the Water Works Plant and keep the same in first class condition. He shall with his assistant cause all necessary repairs and adjustments to be furnished all the tools and material. He shall from time to time report to the Board of Trustees the condition of this plant in his charge and shall recommend plans for the betterment of the plant. He shall not place an order for any material of any character unless authorized so to do by the Water Works Committee, only in case of absolute necessity. He shall while on duty assist in taking care of and running the engine and machinery of the Electric Light Plant and assist in keeping the same in first class condition; And further it shall be his duty to assist in masking any repairs necessary to be made at the Electric Light Plant. He shall report for duty at the Water Works and Electric Light Plant at 12 o'clock midnight and shall remain on duty until 7 o'clock A.M., at which time he shall be relieved from duty for a period of two hours. He shall again report for duty at 9 o'clock A.M. and remain on duty until 12 o'clock noon each day in the week ~~except~~ including Sundays, and shall carry hand lamps at which time he shall be relieved from duty for a period of 12 hours. In case of his inability to go off duty he shall immediately report to the principal number all the assistance possible in the running of the same

Duties of the assistant engineer

It shall be the duty of the assistant engineer to take charge of the plant and to assist the same

while the Chief Engineer is off duty; He shall perform all the duties of the Chief Engineer in his absence and shall be under his charge and obey his orders. He will make all possible Repairs when running repairs, and in case of fire while he is off duty he shall report to the plant at once and assist in running the same. He shall further be his duty to assist in running and taking care of the engine and machinery of the Electric Light Plant. He shall also assist in keeping said machinery in first class running order and shall assist in making necessary Repairs at the plant. He shall report for duty at 12 o'clock noon each day in the week excepting every third Sunday, at which time he will be relieved from duty for a period of 12 hours. He shall remain on duty from 12 o'clock noon until 6 o'clock P.M. at which time he will be relieved for a period of 2 hours, he shall again report for duty at 8 o'clock P.M. and remain on duty until 12 o'clock midnight.

Duties of the Electrician of the Electric Light Plant.

It shall be the duty of the electrician to take into consideration the care of all the machinery now installed in the electric Light Plant and that may hereafter be installed therein. He shall keep said machinery in first class condition and working order and shall insure, and assist to insure any and all necessary repairs to be made to said machinery. He shall at all times keep the Plant clean and in a neat condition. He shall have full charge of said Plant and the running of the same, and shall direct the assistant electricians there in; Provided, that nothing in this resolution shall mean that he shall have authority to discharge or employ any assistant other than furnished by the Board of Directors, or the Chief Engineer of the Waterworks Plant. He shall keep all stock in good condition and all lines and street lamps in first class repair. He shall burn all lamps when, in his best judgement they may require attention. He shall supply the proper application to do all the necessary wiring and adjust all the necessary fixtures to transmit current from the dynamos to all patrons of the plant. He shall make a careful study of the needs of the plant and report the condition thereof to the Board of Directors. He shall insure

recommendations to the Board from time to time for the retirement of the Plant. He shall, on the first of each month, make all the returns now required or that may hereafter be by law required and report the same to the Collector. He shall at the same time report to the Collector the names of Persons who have been summoned with Carts and Labor during the month, upon blanks furnished him for that purpose. He shall not issue any order for material, only in case of absolute necessity, without first consulting the Electric Light Committee and obtaining authority to purchase from them.

He shall further render any assistance the Board of Trustees may require from time to time in connection with the other duties. He shall at certain times and upon certain occasions assist in pumping the Waterworks Plant. He shall work for duty at the Water Works and Electric Light Plant at 6 o'clock A.M. each day in the week, except the 3rd Sunday in March, on which day he will be off duty, subject to call only in case of accident, and remain on duty at the plant until 9 o'clock a.m. from 9 o'clock a.m. until 12 o'clock noon and from 1 o'clock P.M. until 3 o'clock P.M. he shall give his attention to line construction, mowing lawns and repairs and trimming Shade trees. from 3 o'clock P.M. until 6 o'clock P.M. he shall be off duty he shall again go on duty at the plant at 6 o'clock P.M. and remain on duty until 8 P.M. after which he shall be off duty. He shall during his time on duty at the plant have charge of all the machinery of the Electric Light and Waterworks Plant. He shall at the end of each year furnish the Board of Trustees with a complete inventory of all material on hands belonging to the Electric Light Plant.

Be it further resolved by the said Board of Trustees of the said town that any violation of the duties as laid down in the foregoing resolutions shall be deemed and taken as cause for dismissal and shall be punishable by a 30 days suspension from duty, without pay or an absolute discharge at the Board of Trustees discretion commensurate with the violation of the rules aforesaid.

Be it further resolved by the said Board and Board of Trustees of said town that the moderation

Seal to an Fill Fixer and effect after July 1st 1902

Mr Smallen came before the Board and made a Complaint about the way his drive was laid out. He says he can neither drive in or out.

Mr Bowmaster stated that the engineer had promised Mr Smallen to drive and that was only necessary for Mr Smallen to see the engineer and he would attend to the above matter without delay.

Mr Isaac Watkins was before the Board and complained about his water rate being so high he says he only uses water about six weeks during the year and he says he don't feel like paying the rate of $10.00 per annum. Above matter referred to Water Works Committee.

Mr Mason assistant-corporation counsel was before the Board and made a statement concerning the law under which the Board would have to operate in the matter of condemning the old Dock for Ferry and recommended that the Board appoint 3 Pier wardens to inspect the property and manage same.

Mr Bowmaster made motion that there be three pier wardens be appointed from the Board of Trustees, Seconded by Mr Iggermann. Motion Carried.

The Board then thereupon appointed Mr Errelle, Mr Bowmaster and Mr Iggermann pier wardens.

The matter of petitioning for an Injunction was discussed during the absence of the Board and Mr Mason answered many questions concerning the authority of the Board of Trustees to regulate the Liquor traffic in the town. Mr Bowmaster made motion that the Council be instructed to have all saloons in town open on Sunday so any one can see inside. Seconded by J. M. Iggermann. Motion Carried.

Mr Thompson Pilot was before the Board and the Matter of Fire Wells was discussed at length. After which Mr Bowmaster made motion a warrant be drawn in favor of Mr Pilot for $85.00 seconded by Mr Straughn. Motion Carried.

a communication was read from the Indiana and Illinois Sewer and Pavement Railway Co., and on motion ordered placed on file.

In the matter of providing Capital Hill Mr Ingerman stated that the Water Works Co. had instructed the Supt. Mr Thomson to set the necessary stakes to grade it.

Second by Com Bowman etc, Motion carried.

Committee Reports were then called for.

Sewer Committee. No special report.

Street Committee. Mr Ebert Chairman says the complaint had been made about the sink hole on Brown Ave. and from 9 to 12 inches about grade in East Cambridge; also that the street car Co had furnished forty 30 cedar poles at 40 for poles that complaint had been made that the car company had over sixty poles to close to the track.

Matter of providing Capital Hill was again taken up and discussed and the matter of the cost of grading and the trustees was discussed, and it was decided by consent that the grade be put on from 12 to 6 inches.

Water Works Committee. Mr Ingermann Chairman says in the matter of putting lights on Front street that the works would do it and as soon as the gas is turned on to make the lights. also reported that they had drilled well down 93 feet and six inches and had struck blue lime stone and that he had ordered drilling stopped for further action of the Board. This matter was discussed at length and referred to the water works committee to decide what to do further. Mr Ingermann also called the attention of the Board to matter of Mr Frazee assessment for sprinkling stating that Mr Frazee was charged for 90 ft. Front and should be only 45 ft. also the matter of the Wells water rent whom he claimed a credit for one year on account of his having used no water.

By Consent above matters were ordered complied.

Law and Ordinance Committee Mr Bowman Chairman presented the following resolution

A Resolution fixing the tax levies for the town of Cambridge City, Indiana, for the current year, 1902.

Be it resolved by the President and Board of Trustees of the town of Cambridge City, Indiana, that there be levied for the current year 1902, a tax of fifty cents (50¢) on each One Hundred Dollars valuation of taxable property in the town of Cambridge City, Indiana, and Twenty-five cents on each poll to pay the general expenses of said town.

Mr. Kepler complained the Board and stated that he had prevented his team and beam to the wharf to work out his property, road tax. But the Board had refused to return his team and he desired to know why he had been refused.

In reply to Mr. Kepler's statement the Board that Mr. Kepler had presented a team that could not haul a yard of gravel and a wagon that was not even fit to drive, let alone put gravel in, & that when Mr. Kepler presented the proper team & wagon he could work out his tax, but not until then.

The above matter was discussed at length which it was referred to the Fire Committee to investigation.

The following communication from the Fire Company was then presented and read.

Cambridge City, Nov 11-1912

To The President and Board of Trustees
of the Town of Cambridge City, Indiana

Gentlemen:-

We the members of your Fire Company through our officers beg to call your earnest attention a few matters concerning the Fire Department.

In the first place it has come up at our meetings, and also matter has caused discussion, the matter of the salary of the Chief Engineer. We feel and you for same, that the salary is not sufficient for a man to keep good his life, and run the risk of serious sickness or anything else, to save nothing of the valuable life that he is duly desirous. The money about by Members of the Company, yearly to replace Clothes damaged by reason of [illegible]

is $7250 worth equal to the entire valuation [illegible]
[illegible] of the City.

[illegible] by reason of the additional buildings [illegible]
Constructed [illegible] our Town of Course gives the Fire Boys
room to do [illegible] in case of fire and the Insurance Companies
more [illegible] to risk.

First, Your Fire Company has been of very little [illegible]
you at the [illegible] Fire [illegible] must show to the
[illegible] ever [illegible] recieving no attention and in consequence
[illegible] we feel justifiable in representing your honorable
[illegible] to direct the [illegible] to [illegible] to
to read [illegible] each member of the Company by giving
a stated salary of $50.00 per year.

No doubt some of your honorable body has been
members of the Fire Company and can appreciate
our position in this matter. We ask that we are
not asking anything but what is just and right
And we feel that your honorable body will take
the same view of the situation.

Feeling [illegible] we will recieve favorable attention
this matter, we are

Yours Respectfully

Minutes of Special meeting of Dec 30th 1902 read
Mr Bowmaster made motion minutes be adopted as read
Seconded by Mr Monaghan. Motion Carried
Mr Eberle [illegible] the Board if [illegible] was [illegible] and presented his annual report as follows
To the President and members of the Town Board
Gentlemen: [illegible] my annual report as Health Officer of Cambridge Neb.

Total number of births for the year 1902 35
" " deaths " " " 3

Of the births 13 were males and 17 females.
" " deaths 13 " " 17 "
" " Births all were white
" " Deaths one was black
Eleven of the deaths were above [illegible] 70 years of age
Excluding two still births the average of those who died was 61 years and 6 months
In the 30 death reports 21 causes of death were given. Cancer leads the causes of death with 5 cases
Of Cases of Typhoid fever reported and 3 of scarlet fever, with one death from either cause.
There is a strong probability that at least 15 of the cases of Typhoid fever contracted by themselves or others contracted the disease while visiting or these already ill.

Respectfully Submitted
J C Bright

Jan 27th 1903.

Mr Bowmaster made your board report of [illegible] Secretary received. Seconded by Mr Greenslade that motion Carried.

Mr B F Clark was before the Board and made a [illegible] statement concerning a contract he had made with William D Ross and Co

for electric light in his plant, at a lower price than
both was Chairman of the Electric Light Committee.
Mr Close stated to the Board that the above amount
had made them a rate of 5¢ per K.W. and had stated
to him that they could furnish current at that
price at a profit to the Town and with that under-
standing he had his plant worked at a heavy expense
and did not feel that justice was being done them in
increasing the rate at this time. Mr Cartland that he did
not object the Town to furnish Town current at a price
that he did not wish it for nothing but he thought
that if it could be furnished at 5¢ at the Town it could
be furnished at the same price now.
Mr Wilson of the Standard Mfg Co. was also present
and made about the same statement in behalf of
his plant that Mr Close made.
This matter was discussed at length by the Members
of the Board after which Mr Bowmaster made motion
that the rate be continued to the National Lamp
and Standard Mfg Co. until April 1 1903 decision
by Mr Fitzsimmons, motion carried.
The report of the Boiler inspector was presented and
read and Mr Bowmaster made motion that the
report be received and placed on file seconded by Mr
Fitzsimmons, motion carried.
The following communication was presented from the
Fire Co.

To The Board of Trustees.

Gentlemen:

At a meeting of the Fire Company we elected Harry Klein a member of the Fire Company to fill the vacancy caused by the resignation of Jesse Kenny and we respectfully ask your favorable concurrence in our action.

Yours Respt

Dec 27th 1902 E. C. Barnhart, Chief

Mr Fitzsimmons made motion that the Board concur in the election of Harry Klein as a member of the Fire Co. seconded by Mr Bowmaster, motion carried.
A communication was read from Chester E. Allen Mr Bowmaster made motion that communication be received and an order be drawn in favor of Allen for $50.00 in payment in full of all claims to date seconded by Mr Fitzsimmons motion carried.
Committee reports were then called for.

Finance Committee no report

Board met in called session and the following members answered roll call.

F W Ebert
J M Ingermann
M L Bowmaster
M Hagerstown
Present

The President stated the purpose of the meeting for general business in lieu of regular meeting.

The first matter taken up was the matter of fire extinguishers. this matter was discussed at some length and the President stated that he had met with the Fire Company and the Fire Company members had stated to him that they did not feel that they could use the extinguishers to any particular advantage and that it would take away from the getting out in case of fire to use the engine house.

Mr Barfoot of the Fire Department was present and made substantially the same statement as above.

Mr Bowmaster made motion that two of the extinguishers be stored and tested in the presence of some of the factory owners and also the business men of the town. Seconded by Mr Ingermann

Motion Carried.

Mr Ebert stated to the Board that the bills were in for set up in the engine house and that they are shortly while out of bill No 3 and can only put up two of which he says he feels is sufficient and would recommend that the balance of the 3rd bill be used to make a cinder in which to conduct a water closet.

Mr Bowmaster made motion that the Clerk write to Corrispondence and make a complete statement to the Clerk at Richmond of the shortage and order of bills.

Seconded by Ingermann, motion Carried

Mr Bowmaster then made motion that a Committee be appointed to look into the Electric light bill.

Seconded by Mr Rogers and motion Carried

The President then appointed a Committee consisting Mr Ebert, Mr Ingermann and himself.

Mr Ingermann stated that the Electric Light Co had called on him and investigated the readings of some of the meters around town and found some that had not been read correctly, and there was considerable complaint.

Mr Ingermann made motion that there be

inserted in the Tribune a notice that meters would be set in for all current consumers and that the flat rate would be abandoned and that for a period of six months the past months bills by meter, an addition of 10% to what the flat rate would be should be added to the bills made by the collector accordingly
Seconded by Mr Boomaster
Motion Carried.
A Complaint was laid against Cox for Shafer and Keller referred to E & L Committee.
Mr Peckenpaugh then made motion bills be referred to the Finance Committee for approval
Seconded by Mr Boomaster Motion Carried
Bills to the amount of $263 was read referred to and approved by the Finance Committee.
Mr Peckenpaugh then made motion that warrants be drawn on the Treasurer for amounts approved. Seconded by Mr Brenner Motion Carried
Mr Peckenpaugh then made motion to adjourn
Seconded by Mr Shaughn. Motion Carried

Special Committee on Old Conclusion reports having completed same and also reports having lengthened Tool House at Cemetery.

Street Committee Mr Clark Chairman says the Committee had viewed the condition of Street in East Cambridge City, and the Committee was strongly of the opinion that a crossing should be completed over Otis Street if it could not be done would often the street had been graded up so as to prevent the water from running into cellars, also reports Riverside Cemetery in good shape also that the new Tool House was built and the tool house raised up out of the ground, also that the tool House needed a coat of Paint and needed to be lined inside, also that the fence at the Old Cemetery was down in places, and the Committee recommended that Mr Sherman be instructed to procure the necessary posts and wire and repair the same.

Mr Sherman called to the Board that he had seen Mr Gunn with reference to Crushed Stone crossing in East Cambridge and Mr Gunn had volunteered to send that when the train came to make the crossings he would donate enough stone to cover the crossings over the R.R.

The Street Committee further reported to the Board that Road Supervisor Dwyer had made a proposition to pay a part of the expense of cleaning off Boyce Street provided the Town do the same so that both the Town and Township can get gravel out of the pits this matter was discussed at some length after which Mr Sherman made motion that the Selectmen be instructed to see if Dwyer can effect some arrangements whereby the Town can join with the Township and have per Agreement all the Cost possible expended to the Town Seconded by Mr Straughn Motion Carried

Street Commissioner Supplies Street as John L. Gustus unbarbed wire.

On the matter of two warrants filed by Frank H Elkins last Jan Mr Sherman made motion that in view of the fact that Mr Elkins did not want the Board to act the Loan or extension upon the warrants be laid on the table Seconded by Mr Sherman Motion Carried

W. S. Parker

The President stated the Purpose of the meeting to be to take action on a proposition from the Big 4 R.R. Co. to compromise suits now pending against said Co. for violating an ordinance of said town.

The proposition of the Railroad Co. is as follows, That the said Co will pay to the town of Cambridge City Ind. the sum of Four Hundred dollars and the suits in the Cases below pending of the town until repeal of ordinance concerning the lighting of Engines on said town. The matter was discussed at length by the members of the Board and by the attorney and the attorney was instructed to prepare a resolution and submit it to the Board.

The following resolution was then prepared and presented to the Board for their consideration.

A Resolution

Whereas two suits are now pending in the Circuit Court of Henry County on appeal from the Circuit Court of Wayne County in which the town of Cambridge City Ind. and the Cleveland, Cincinnati, Chicago & St Louis Railway Company is defendant, in which said defendant Company is charged with the violation of a special ordinance of said town in regard to lighting streets at said road crossings; and said defendant seems to be desirous of adjusting said suits without litigation or delay, Now it is hereby Ordained by the President and Board of Trustees of said town of Cambridge City Indiana that if said defendant Company will pay to the Treasurer of said County for the use of said town the sum of Four Hundred Dollars on or before the first day of May A.D. 1903 and pay all costs in said suits accrued and to accrue in said cases, then and in such case the said suits shall be dismissed.

Be it further Resolved by the said President and Board of Trustees of said town that this resolution shall not be taken or construed to mean

any ordinance concerning the lighting of streets now in effect in said Town established the Board of Aldermen above referred to, concerning the defendant Company, but as fixed with the distinct understanding that not the entire street the defendant Company is to change its schedule through the Town of Bridgeport so as to run its trains over the street crossing of said Town after street lighting said defendant Company will be held under the above said ordinance, but so long as the present day schedule is maintained said general ordinance shall not apply to said defendant Company.

After some discussion upon the Resolution Mr Bowmaster made Motion Resolution be adopted be so read, spread upon the minutes and a certified copy thereof be transmitted to the Towns attorney to be submitted to the attorneys for the defendant Seconded by Mr Ingraham, Motion Carried.

No further business appearing Mr Bowmaster made motion to adjourn until Tuesday Apr. 5 at 2 oclock PM. Seconded by Mr Ingraham Motion Carried, meeting Adjourned

The Board met in called session and the following members answered roll call

F. M. Elliott
J. W. Degenmann
W. L. Bowmaster
M. Straughn
James D. Crowder

The President stated the purpose of the meeting was to canvass the returns of the said Board of Registration and reorganize.

The first matter taken up was the matter of Judges for election Board No.

Mr Degenmann made motion Billy Gaynor and Fineshier Committee be appointed. Seconded by Mr Bowmaster. Motion Carried.

Mr Degenmann made motion warrants be drawn on Treasurer for accounts approved. Seconded by Mr Straughn. Motion Carried.

The Finance Committee was then instructed to audit the accounts of the town and report at the next meeting.

Mr Bowmaster then made motion that the Board adjourn sine die. Seconded by Mr Degenmann. Motion Carried. Board adjourned sine die.

The newly elected members from the 5th & 4th wards presented their certificates of election and D. M. Mason a notary public being present, swore in the newly elected members, as such.

The Board then proceeded to reorganize. Mr Miller the new member from the 5th & 4th Wards unanimously chosen temporary Chairman upon assuming his duties the Chairman stated that the first thing in order would be the selection of a permanent Chairman for the year.

Mr Degenmann then placed Mr Elliott in nomination for permanent Chairman. There being no further nominations Mr Elliott was declared unanimously elected Chairman of the Board for the ensuing year. Mr Miller then surrendered the Chair and gave it to Mr Elliott who accepted it in a neat little speech, thanking the members for the honor conferred etc.

Mr Elliott stated that he would appoint the Committees at the next meeting of the Board & asked

The Board met in regular session and the following members answered roll call

J. M. Fink
J. M. Bigenmann
Silas M. Davis
M. Shaughn
Joseph S. Pollock

Minutes of last regular meeting were read by the clerk Mr Bigenmann made motion minutes be adopted as read seconded by Mr Shaughn Motion carried Minutes of called meeting were then read by the Clerk Mr Bigenmann made motion that same be adopted as read seconded by Mr Shaughn. Motion carried Mr James A Boyd was before the Board and stated to the Board that the Water Co. Company were running their mains in some places in the town in such manner as to damage the plant of the Citizens Gas Light Co and also endanger the lives of others of Cambridge Mr Boyd wanted the Board to have their assistance in preventing any further construction of this character and pay all the damages already done and to compel the Water Co Company to do so in order that this present construction so as not to further interfere with the Citizens Telephone Company. Mr Boyd was assured that if the Board could protect him in any way they would do so.

Mr Thomas Finn was before the Board and wanted to enquire what had been done with reference to the petition. Concerning the curb walks upon second street. Mr Finn was assured that the matter would be taken up by the proper committees and given the desired attention.

Mr Bonnaster was present and presented the members of the Board with a book, and took occasion to state that the Gas Light Company he represented had painted their Gas works of the Corporation and some of the other Companies do work and he requested that they all be pressed to comply.

Mr D W Mason was present and again called the attention of the Board to the fact that the Penn Railroad Company would in all probability ask for permission to cross Foote Street in a short

time and he stated that he did not want the Board to overlook the fact that the citizens of this part of town did not want any more saloons across Mass Ave.

Mr Ebert President of the Board presented the list of Committees for the ensuing year as follows.

Finance { Fred W Lewis, M Strauss, J M Ingermanson } Street & Cemetery { F W Ebert, J M Ingermanson, F W Lewis }

Gas & Ordinance { Josephus Wallace, F W Ebert, M Straughn } Water Works & Fire Dep't { J M Ingermanson, F W Ebert, Jos Wallace }

Council Chamber

Cambridge City, March [illegible]

The Board met in called session, and the following members present viz:

J. W. Elrick,
J. M. Ingermann
Felix M. Deige
M. Straughn
Joseph Wallick

The President stated the purpose of the meeting to be for general business.

The first matter taken up was the matter of two days road work on the roads or streets. This matter was discussed at length by the members of the Board.

Mr Ingermann made motion that the Marshal take two days road work and apply to the streets to the best of his ability as Surveyor. Second by Mr Straughn. Motion carried.

The matter of procuring gravel for pikes and procuring gravel was next discussed by the members of the Board. Mr Ingermann made motion that the Marshal see Mrs Griffin with reference to gravel and that if he could procure it at $ per load that he be instructed to open the pit, Second by Mr Straughn. Motion carried.

The matter of bridge repairs was next taken up and discussed and it was the sense of the Board that iron U[illegible] frames be placed on the Jones and Walnut street bridges where need be, Lucas and that a new bridge be built over Elliott Branch on Pike street.

Mr Straughn made motion that the Clerk be instructed to correspond with the Cambridge Architectural Engineering Co. and ascertain what kind of bridge would meet the requirements of the Board and arrange a list of material necessary to repair bridges. Second by Mr Dirk. Motion carried.

The matter of improving the ordinance concerning painting of pikes within the corporate limits was duly taken up and discussed.

Mr Wallick made motion that the Board order pikes not already painted in the corporation to be painted at once and the Clerk to give notice to delinquents at once. Second by Mr Straughn. Motion carried.

The matter of the Shirk Car Company not having

complied with all the provisions of this franchise was taken up and discussed at length.
Mr Straughn made motion that the Secty of Commissioners of the delinquencies of the street company and submit it at the next regular meeting of the Bd of Councilmen. Seconded by Mr Degenmann Motion Carried.
The matter of assessing the East Cumberland road damages but no definite action taken until further notice.
The Matter of the boundary lines of Riverside Cemetery was discussed by the members of the Board.
Mr Degenmann made motion that the Cemetery Committee be instructed to have survey made and that if there any encroachments by the boundaries of the Cemetery that can be disposed of to advantage the Committee be instructed to dispose of them. Seconded by Mr Straughn Motion carried.
The matter of surveying Section 2 in Riverside Cemetery was discussed at length. Then Mr Degenmann made motion that the Cemetery Committee be instructed to have Section 2 in the Cemetery surveyed and laid off when the surveyor comes to Town. Seconded by Mr Dirk Motion Carried.
In the matter of changing light on Church corner in East Cumberland Mr Dirk made motion that the matter be referred to the Electric Light Committee to investigate and report at the next meeting of the Bd of C. Seconded by Mr Degenmann motion carried.
The matter of fire extinguishers was next taken up and discussed and Mr Straughn made motion that the Fire Department Committee have fire extinguishers tested and look up prices, buyers and report at the next meeting of the Bd of C. Seconded by Mr Dirk Motion Carried.
The Matter of the L & W R R crossing not properly planked in places was discussed and Mr Dirk made motion that the Clerk notify the L & W R R Co to properly plank their crossings at once. Seconded by Mr Degenmann Motion Carried.
No further business appearing Mr Mattingly made motion to adjourn. Seconded by Mr Straughn Motion Carried. meeting adjourned

Council Chamber

Cambridge City, May 26th 93.

The Board of Trustees met in regular session and the following members answered roll call

F. M. Eyerly
J. M. Ingermann
Isley W. Dorsey
M. Monaghan
Joseph Mallett

The minutes of the last regular meeting were then read by the Clerk, and Mr Ingermann made a motion that the minutes be adopted as read; Second by Mr Mallett. Motion Carried.

The Minutes of a called meeting held May 15th 1893 were then read by the clerk, and Mr Ingermann made a motion that the minutes be adopted as read; Second by Mr Mallett. Motion Carried.

Mr George W Dreschel & F Clerk and N Bent Nelson were Sworn in before the Board. Mr Dreschel acting as Spokesman for the party stated to the Board that their mission before the Board was to impress the Board with the due necessity of Cleaning and Covering the bottom of the large open ditch along the property of Mr Dreschel, the Standard Mfg Co and the International Paper Company it was shown to the Board by the statements of the parties that on account of this ditch being filled up it would not allow the water to run off thus causing the water to Ooze into the basement and engine room of the Standard M'f'g Co.

This matter was discussed by the members of the Board after which Mr Mallett made motion that the matter be referred to a select Committee to investigate and report at once; Second by Mr Monaghan Motion Carried.

The President of the Board then named the following members of the Board as constituting the Special Committee above provided for Mr Mallett, Mr Dorsey and Mr Ingermann.

Mr Michael Wahl was then sworn before the Board and stated the fact that before the Board appropriated to John Callaway, and that on behalf of Mr Callaway he would respectfully request that the side walk along the west side of the property of Elland Perkins on the north end of Dimmicks Court be graded down to a grade with the street and the surrounding side walks so as to make it passable

Mr Ingermann made motion that the matter be referred to the Street Committee. Second by Mr Mallory. Motion Carried.

Mr Michael Fenn was before the Board and enquired to know what if any thing had been done by the Board with reference to spreading gravel on second Street that he and others had petitioned for. This matter was discussed and Mr Fenn assured that in due season proper action would be taken in the matter on the advice of the town attorney.

Mr C H Brown Mr Wilson and Mr E D Mabie residents of Mulberry Street were present and Mr Brown asked to be excused from the duty of signing that certain petition previously filed for a light on Mulberry Street they had come to show to the Board the necessity for a light on Mulberry Street.

This matter was discussed by the members of the Board after which Mr Mallory made motion that the matter be referred to the Electric Light Committee. Second by Mr Ingermann. Motion Carried.

Mr John E Gray, and a Mr Scott of the engineering department of the C C & St L R R Co. were present before the Board and stated that the Town By-law permission to lay four additional tracks across Forest Street in order to reach a proposed new station on the east side of Apple Street they stated to the Board that the grading of this right of way a great deal of improvement in the Railway System in this city, they also presented an Indenture of correspondence concerning the same, also copy of an ordinance they desired passed also the plans showing the proposed construction and manoeuvring. Mr Lyon then made a motion that the whole matter be laid on the table. Motion Lost for want of a second.

Mr Mallory then made motion that the matter be referred to a special Committee. Motion lost for want of a second.

Mr Ingermann then made motion that the matter be referred to the Street Committee and the Law & Ordinance Committee for investigation and report at the next regular meeting of the Board. Motion carried by Mr Ingermann, Motion Seconded.

Committee reports were then called for.

Finance Committee no report.

Waterworks and Fire Department Committee

Streets Committee reported Water at the intersection of 5th & Main and Middle & Pearl that had frozen & took the Services of the Engine Company to thaw out.
Also reported that the Cover of Boiler Amos Mull had been Cut for in the C.H. Moore Oil Co without its having been Ordered. It was Taken by Brauer that the Clerk notify the Oil Company that the Cover of Boiler Compound must be kept only as to their order. also reports having made two taps on the water mains.
Law & Ordinance Committee Mr Mallory Chairman stated that the Committee had not as yet an opinion from the Town Attorney with reference to the Complaint of Mr Boyd in connection the Citizens Telephone Co, but without the attorneys opinion but as one member of the Committee was decided by of the opinion that the Town authorities had no jurisdiction in the matter and that it was a matter solely with the Citizens Telephone Company and the Parties their Employees &c.
Mr Mallory further States that it was the sentiment of numerous citizens that the Curfew ordinance be rigidly enforced and that he recommend that a notice be served on the Fabers Steel Supplies the Ordinance would be enforced. The Marshall stated to the Board that he would do the best work laid out to be done, and take care of the duties of peace officer without any assistance.
The matter of employing a deputy was referred to act as peace officer while the Marshal was doing the street work was discussed at length by the members of the Board after which Mr Dougherty made motion that the Marshal be allowed a deputy during the time that he is working on the Streets recommended by Mr Lewis. Motion Carried.
The Streets Committee report that work going along smooth, and that all the work worth of the Streets specified by Brauer by Virgil Day also says that had been no alley work laid out as yet, also says arrangements had not as yet been made for a viaduct the Committee as a whole presented the petition for opening the roads to be occupied by the Wabash Railway Company.
To the Honorable the Board of Justices of the Town of Converse City, Indiana. The Streets Committee have

appointed at the last meeting of the Board and instructed to enumerate and report to the Board at their next regular meeting the unfulfilled provisions of ordinances granted to the Richmond Street and Interurban Railway Company fixing the time that they were called upon to comply with the ordinance providing for said franchise as granted by the Board of Aldermen of the Town of Cumberland. We find that they have so far failed to lay down the side center stone on each side of the tracks previously approved and to place their tracks at a grade with the street east of the race run bridge in said town; at many points said tracks are above the street grade. Telephone poles in some places being of a sufficient height to give proper protection to shade trees over the line of their road, the said poles disturbed at the time said road was not were replaced in as good condition as they were before being disturbed, but in a very unsightly and unsatisfactory manner. The tracks east of Hunter's creek in places being below the grade of Main street and where grading is required work has been neglected.

The street crossings in said town have not as yet been repaired or replaced as required by the franchise.

The tracks in Center street at some points are so low that it will not permit of cultivation. Also at a point south of Church street, the tracks leave the center of the street and then have excavated below the grade of said street to a depth of three feet in places behind or in the west side way of said street under the tracks of the C. & O. R. R. by which said excavation it is necessary to abandon said driveway, depriving the public of a great benefit and thereby endangering life and limb. Also leaving pools of water standing in it and becoming stagnated and dangerous to the health of the citizens of that vicinity. They have placed gravel pockets upon street and in alley which is not provided for in franchise, and which must be removed by the company or town. They have failed to paint the poles & stringers as provided by their franchise. They are furnishing light to private consumers, also power leading off from their wires along Main street & others. They have not acquired under their franchise

at points about fifty feet West of the Big 4 R.R. crossing about the grade of each street has rounded Coal Short to where it will fill the gutters with gravel and dirt. Further they have entirely failed to fill their track property from Mill Creek Street west to the L. E. & W. R.R. nor have they given further protection to the Public about said crossing by erecting a suitable guard rail along Leak Street at the above named points. They have failed to cut the grass and weeds along their right of way of the L. E. & W. R.R. and the west Corporation line as agreed upon. Proper protection has not been given to the telephone and telegraph Companies who have their strung over and along the streets upon the premises of this Company. The Canal Railway Co. which must have prior right to this all of the R.R. tracks has the Company given the proper protection to private rights within the Corporate limits of the town. The Company have utterly failed to comply with their franchise with reference to rolling stock, the franchise states that the equipment shall be new and up to date and the cars that are now used through the town are the worst type of rolling stock that can be seen upon any road. The speed limits is often exceeded to the danger of the public and brakes, steps are not made to take on and let off passengers within the corporate limits, only occasions these steps between station and the west Corporation line. They still maintain their switch yards upon the public streets and the Company keeps no switch yards are absolutely dangerous from the reason that they are pulling the pales out of place and the weight of the pale is liable to snap off and hit a person upon the street.

All of which is respectfully submitted.

F. M. Eaton
J. M. Freedmann } Street Committee
F. Morton

Mr. Freedmann made a motion that the report of the Street Committee be received and placed upon record and a copy sent to the proper officials of the Richmond Street and Interurban Railway Company. Second by Mr. Davis, after some little discussion the question was the question was called for and

the motion but to the Chair and the vote resulted as follows, voting aye Ingermann, Davis, Shaughnessy and Clerk Robinson. Wallace.

Motion carried and declared by the Chair.

The marshal stated to the Board that Mr Williams Superintendent of the Street Railway wanted to know what kind of material the town wanted used to put cross walks taken up by them re completion again.

Mr Ingermann made a motion that the street committee in connection with the Marshal view the crossings to be repaired and estimate the amount of material necessary and report to this Board.

Second by Mr Shaughnessy, Motion carried.

Mr Shaughnessy of the Electric Light Committee stated to the Board that the Citizens along Main St desired a gas lamp on the hill, near the residence of Mr Yarde. Mr Ingermann stated in connection thereto that Mr Gill McCabe would object to the lamp and keep guantles on it.

Mr Wallace made a motion that the request of these citizens be granted and the Superintendent be instructed to place the lamp as desired by Mr Ingermann, motion carried.

Mr Shaughnessy further stated that the Committee had received the proposed change of fare in the Cambridge and that the Committee had decided not to change the lamps at the present time. The above matter was discussed but no action taken further than the report of the Committee. The matter of a contractor for the necessary from the electric light plant was discussed by the members of the Board.

Mr Wallace made a motion that Mr Dore be appointed to collect Dog License fees in arrears for one year at 5% Second by Mr Ingermann, Motion carried.

Mr Young Engineer representing a Bridge Company of New Castle Indiana was present and stated to the Board that he had understood that the Board intended to do some bridge work on the Union Street and that he had been there and viewed the proposed work and had some blue prints prepared by their engineers which he desired to submit to the Board for their inspection and consideration, and requested that when bids were to be received that he be

certified in order that he might be authorized as Sid on the work.

The matter of bridges was discussed but no action was taken thereon.

Mr Hagemann made a motion that bills be referred to the Finance Committee for approval. Seconded by Mr Straughn's motion carried.

Bills to the amount of [illegible] was duly referred to said committee.

Mr Kirk made a motion that warrants be drawn upon the Treasurer for amounts approved. Seconded by Mr Hagemann. Motion carried.

Mr Hagemann stated to the Board that Engr. J. Reber, wanted to open a street through the land from Cemetery Hill west to the town, which would be an extension of Front street. Mr Hagemann also stated that he was of the opinion that Mr Reber would sell a driveway off the west side of said land at a very reasonable figure. Mr Hagemann made motion that the matter be referred to the Str. Committee and the Law & Ordinance Committee to investigate and report. Seconded by Mr Straughn Motion Carried.

The matter of the tapping machine and the matter of tapping the water mains in the future was discussed at length by the members of the Board, after which Mr Hagemann made a motion that the tapping machine be turned over to Mr Kirk and that he do all the work tapping the water mains so long as he gives satisfaction to the Board. Seconded by Mr Kirk. Motion Carried.

No further business appearing a motion by Mr Mallon seconded by Mr Hagemann to adjourn carried, meeting adjourned.

F. M. Ebert, Prest.

Danl E. Pratt, Town Clerk.

Council Chamber

Cambridge City, June 12 1903

The Board of Trustees met in ~~Called~~ session and the following members answered to roll call

F M Elliott
J M Eggemann
F W Dove
M Broughton
Joseph J Wallace

The President stated the purpose of the meeting to be for general business.

The President stated that Mr Finn had served a written notice upon him that at 12 o'clock noon on Saturday June 6th 1903 he intended to cut down the poles of the Western Union Tel Co and requested the Board of Trustees to take some action with reference to opening roads as per petitioners.

The notice the President having read to the Board Mr Dove made motion that the matter be placed in the hands of the City Attorney for such purposes, seconded by Mr Eggemann. Motion Carried.

A written opinion from the town attorney upon the question of the Board's position in the matter of the side walks on Second East was presented and read as follows.

Question?

After a side walk has been properly authorized and established by law, is there any power or authority to take it away from the abutting lot owners without their consent?

Answer,—

Gentlemen:—

This question, from the very nature and necessity of the subject matter and subject by the law must be answered in the negative. Upon rather hasty examination I find that the right of way over and along South 2d Street seems to have been granted to the Indiana Central R.R. Co in the year 1852 by some power presumably by the County Commissioners of Wayne County, but I do not find that even the Board of Trustees of the Town had no control whatever over the street. The County Commissioners alone had such control until the Legislature enacted law the year 1899 the power to vacate from the County Commissioners and vested in the Board of Trustees. But you are to bear this in mind and that I have seen no plat of the Town that at present day [illegible] whether the County Commissioners or the Board of Trustees

Granted to the Rail Road Co the right on said Place
Center East the power to take from the abutting
property owners the side walk, and there shall be
cut or displaced them of a proper substance to form
parking; The right to a sidewalk is prima of late as
as important and sacred to the lot owner as the
lots are. If the Rail Road Co has encroached upon
the property rights of individuals along its right of
way it certainly would be liable the same as if an
individual would trespass upon the real estate
of ~~him~~. I leave it for granted that the encroaching from
the north side of the Railroad ~~to~~ east of the
was closed without the fault of the abutting lot owners
and it would therefore seem that the Town ought
to protect the lot owners, But if the Co. did not
grant the ~~to~~ to the Town of land, then the Town
to afford the abutting lot owners relief from the
said Co. Solomon thinks the lot owners may protect their
own rights.

D W Mason

Mr Turner was present and the matter of side walk
was discussed at length Mr Mason and the members
of the Board all joining in the discussion. After which
Mr Mulbery made a motion that the Clerk be in-
structed to furnish the R & C rail road a notice to
the owners of property along the north
side of Main Road between Center Street and the
Depot. Seconded by Mr Brannaman, Motion Carried
The following Resolution was then presented and
read to the members of the Board.

Whereas there now is an out side stair way
on the west side of a brick business building owned by
Frank K Cox on lot No 9 in Block 3 on the west
more and north of the Railroad in Carthage, Ill. on
which said Stairway is on the east side of the
premises from Main Street through said
Block 3. And Whereas said Cox wishes to move
said Stairway and at some time use the place
where it now is for a permanent stairway.

Now therefore it is resolved by the City Council and
Board of Trustees of the Corporation of Carthage
Illinois, that Frank K. Cox his successors and
assigns be and hereby authorized to replace and remain
with a stairway where said Stairway now is &
for to use it.

The above resolution was the theme of a lengthy discussion

and Mr Wallace made question that the request be not granted. Motion lost for want of a second.

Mr Engermann made a motion that the resolution be adopted as read. Second by Mr Straughan.

The question on the motion was then called for and the motion lost by the chair with the following result: Voting in favor Engermann, Dirck, Straughan & Ebert. Voting against Mr. Wallace.

Motion Carried.

Mr Ebert stated to the Board that Mr Weber the city engineer of Baltimore had been here and they had visited the bridges proposed to be repaired and that Mr Weber had stated to him that Cement arches would be the proper construction but would be very expensive. Mr Moore also stated that he could not furnish an estimate of cost of steel for the reason that the Board could get as good prices as he. The matter of bridge repairs and bridges generally was discussed at length but no action taken with reference thereto.

Mr Dirck called the attention of the Board to the fact that the school Board were prosecuted at the town with a number of benches, and that they had been brought to the town hall and had been taken away from here by Mr Bowmaster and not returned and that Mr Bowmaster had loaned 3 of them to the Linganore Town Hall Co.

Mr Dirck made a motion that the Clerk instruct Mr Bowmaster to have all benches returned to the town hall. Second by Mr Wallace. Motion Carried.

Mr Engermann called the attention of the Board to the fact that an iron brace was needed at the water reservoir station, and that George Lincoln had a piece of the proper dimensions and would sell it to the Board for six dollars.

Mr Straughan made motion that the Superintendent of the Water works be instructed to buy the piece as above stated. Second by Mr Wallace. Motion Carried.

Mr Engermann further stated to the Board that the citizens on Mill Street would be satisfied with a gas lamp and in view of the fact that we could not furnish them an electric light at this time it would be just and right to furnish them with a gas lamp.

Mr Straughan then made a motion that the Supt of the Electric Light Plant be instructed to [illegible]

a Gas Lamp for use on Mulberry Street. Seconded by Mr Love. Motion Carried.
Mr Wallace of the Special Committee to whom was referred the matter of Cleaning the ditch on the south end of Town Stated to the Board that the Committee had given the matter it was the opinion of the Committee that the ditch should be cleaned out & Deepened to clean the ditch. Mr Wallace then made a motion that the Marshal be instructed to clean out the ditch to the best advantage and at the least possible expense to the Town. and that the Special Committee be discharged. Seconded by Mr Ingram. Motion Carried.
No further business appearing a motion by Mr Stranahan Seconded by Mr Wallace to adjourn Carried and meeting adjourned.

F.M. Evert Town Clerk

Dan E. Pierce
Tom Clem

Council Chamber

Cambridge Ms. June 9th 18[illegible]

The Board met in regular session with the following members answered Roll call

F. W. Fosdick
J. W. Ingersoll
F. W. Dana
M. Strange
Joseph Hubbard

Minutes of last regular meeting read by the Clerk.
Mr Ingersoll made motion minutes be adopted as read seconded by Mr Strange. Motion Carried
Minutes of Special meeting were then read by the Clerk. Mr Ingersoll made motion minutes be approved as read, Seconded by Mr Dana. Motion Carried
Mr W. H. Dorr was then before the Board and wanted to know what had been done with the contemplated sewer from his store to the river. Mr Doney requested the Committee of this sewer as he says the surface gutters will not carry off the water and Cellars are flooded to some depth. During heavy rains. Mr Doney further stated to the Board that the Council of the Town had the money to build this sewer with and that the Town worked finely in the matter. He requested the Board to send financial assistance on a sales faction sewer to the Town
Above matter referred to the sewer Committee for investigation.
Mr Jones, Treasurer of M. W. for the Boon Pa. R. was present also Mr Dorr representing the same Company and wanted to know what action had been taken upon the ordinance that had been presented requesting privilege to lay a additional side tracks on Front St. The Street Committee and the Railroad Ordinance Committee stating that they had formerly no report on the ordinance up to the present time but that all the members had expressed themselves upon the ordinance. Mr Gray made a few remarks about the benefits that would accrue to the Town by the operation of the ordinance. Mr Jones made a long explanation also along the same line.
Mr D. H. Mason the Town Solicitor was present and made explanation to the remarks of Mr Gray and Mr Jones and made a long statement Concerning the probable damage that would accrue to the Town and to the property owners south of the railroad

and to the citizens in general. The matter brought a considerable discussion. The Consultant stated to the Board personal conversations that the Board desired to postpone an ordinance and present it to the Company for their approval, which would be done at the March meeting of the Board.

Council Chamber
Cambridge City June 16
Board met in continued session from June 9
with all members present.
Mr Henry Smith, John M Lontz, Henry Starr of E. Richmond Street and Interurban Railway Co and Mr Merten representing ~~improvement~~ of bridge to be erected, also numerous others present whom was Prof Dreschel and Frank C. Mashmeyer Mr Smith spoke for the Street car Co stating to the Board that he had received bill of complaint filed by the Street Commissioner of E. Main Street Mr Smith went on to state to the Board that his company were making plans to get at the delayed work in the East End that all cars would be speedily running. In the matter of relocating viaduct off Main, he stated that the water would have to be carried south to a point about 15 ft south of the viaduct, what would be done Mr Smith stated that they wanted to widen out in a manner straighten the present curve and run their tracks straight in the center of the street Mr Smith stated by the arrangements proposed it would remove all 32 feet curve now in public. Stated that their bridge engineer was present and had plans showing the change in the bridge if desired. The plans were presented and inspected by the members of the Board after which the others present were requested to inspect the plans. The matter of the width of the bridge was fully discussed and some of the objections obtained that the curve would be made the first instead of 32 Mr Smith stated that they would absolutely do nothing on the grade. Matter of cross walks discussed also matter of grade in East Cambridge also matter of documentation

Suit against the town. Mr Smith stated that if there was any discrimination against the town on the way of taxation he did not know it and what he wanted know the matter investigated and if it was found to exist would have it removed. Mr Smith also said he would like to have this bridge matter settled as soon as possible so they could go on the state appointment.

Mr Ingermann made motion that the plans & specifications for repairing the bridge be received and referred to the Street and Road and Ordinance Committee to be reported on at the next regular meeting of the Board. Seconded by Mr Strange. Motion carried.

On the petition of the Pan Handle railroad Company laying tracks across Foote street Mr Wallace of the Law & Ordinance Committee says that Committee has no report.

Dan E Potts
Clerk

F.M. Ebert
Pres.

Council Chamber
Caledonia City June 30th 1903

The Board met in Continued session from June 23rd 1903. with all members present.
The first matter taken up for consideration was the ordinance providing for the widening of the bridge on Main Street. Mr Ingermann made motion that the ordinance as read and adopted. Seconded by Mr Wallace. Motion Carried.
First Section of Ordinance read by Clerk.
Mr Ingermann made motion Section one be adopted as read Second by Mr Wallace. The motion was stated by the Chair and the vote resulted as follows. Ayes Ingermann Wallace and Cox. Voting as follows. Ayes 3 Nays 0. Motion Carried.
Second Section of ordinance read by Clerk.
Mr Ingermann made motion that Section be adopted as read Second by Mr Wallace. The motion was stated by the Chair and the vote resulted as follows. Ayes Ingermann Wallace and Cox. Voting as follows. Ayes 3 Nays 0. Motion Carried.
At this stage of the proceedings a considerable argument arose concerning the Chair not putting to the vote of other members after so stated Mr Ebert vacated the Chair and called Mr Ingermann to preside. Mr Smith and Mr Lantz represented themselves at this junction of the proceedings and stated that they would like for the ordinance to read the Richmond Street not as heretofore known as Company Street Succession and reasons instead of the Richmond Street to be known as Railroad Street. Mr Smith also stated that one section of the Ordinance provided for the filling up a ditch which he thought was out of order as it was already filled

form a certified Cheque for $100 to guarantee the fulfilment of the conditions of their franchise and on acceptance of the present ordinance surrender the original franchise. It was of the opinion that their former guarantee held good in this case.
Mr Wallace then made motion that the words superseded or repealed be inserted in all places where the words The Richmond Street and Interurban Rail way Co occur in the ordinance. Motion declared lost for want of a seconder.
Mr Wallace then made motion to reconsider action already taken on the ordinance presented by Mr Gregg. Motion carried.
The Chair announced a recess of 15 minutes and the ordinance was referred to the Law & Ordinance Committee and the Town's Attorney for revision and correction.
At the expiration of the time above stated the Board reconvened and the ordinance as revised was read by the Clerk and Mr Wallace made a motion that the ordinance be adopted as read.
Motion lost for want of a seconder.
Mr Gregg then vacated the chair in favor of Mr Clark.
Mr James Winters, Ignatz Rummel, Richard Reesler and others were then called and examined about the manner in which the Interurban Company were trimming trees and requested the Board to force the Interurban Company to use larger poles so as not to interfere with trees.
The following resolution was then presented and read by the Clerk.
Whereas Public Necessity and convenience require the Opening and maintenance of a public driveway thirty feet wide through, upon and over a part of the lands owned by Edward J Replay in Section 22 Township 16 of Range 12 East in Wayne County and State of Indiana which said highway is Commencing on Main St at the north end of Bond Street in the Town of Centerville Ind at a point 60 feet east of the east end of the Pike across said road and Main Street and running from thence north westerly to a point in the present highway at the Feeder dam across said road, in all things according to the survey made by the County Surveyor

Wayne County Michigan and the Profile of said Driveway include thereon be paid Surveyor whose profile is now on file in the office of the Town Clerk of said Town; And whereas said George S Hopkins has indicated to the Board of Trustees of said Town that he would upon the Payment to him of Sixty Dollars, allow a Driveway to be opened and maintained on said Town Lot by the public over and across his Land as above described. Now therefore it is hereby resolved by the Supervisor and Board of Trustees of the Town of Vanduseria Michigan that a warrant be drawn upon the Treasury of said Town for Sixty Dollars payable to said George S Hopkins as full consideration and pay to him for said driveway and all damages thereby and upon the Payment to him except therefor he him said Town shall have the right to enter upon open and improve and maintain said driveway and dedicate the same for public use and travel and that the same shall be named and known as Vandalia Avenue said Town shall be at all expense of keeping and maintaining said driveway in repair.

Mr Fry on motion made motion, resolution be adopted as read, Seconded by Mr Sisk.

Motion Carried.

Mr Thomas J Timm was upon the Board and presented a petition signed by the citizens owning the property abutting the Rumbry Company's tracks from Cullen Street to the River on the north side of said railroad, praying that the said tracks be improved within the town so the matter above referred to was discussed at length by the Board of which Mr Hosmer made a motion that the matter be referred to the Committee on Ordinance Committee and the Town attorney for investigation and report at the next meeting of the Board. Seconded by Mr Sisk.

Motion Carried.

In the matter of selling the hay from the Rumbry field Mr Fry offered a verbal motion supplier be referred to the Clerk to dispose of to the best advantage Seconded by Mr Wallace

Motion Carried

Motion Carried

Mrs Amanda Mauss was present and complained to the Board about the condition of the street and side walks at the corner of Jones and Church street Mrs Mauss stated that the street and side walks had not been properly Constructed and in consequence would not drain and left quite a sand hole about her premises.
Mrs Mauss was assured by the Board that steps would be taken in the near future to remedy any defect that there might be in the street
Mr William Hamilton was present and said in a complaint about a hog pen known as the street at intersection of Fort street with the first alley west of Center street also complained about Hogs Dogs Cows Bees running at Large.
Mr Ingermann made motion that the above complaint be referred to the Law & Ordinance Committee to investigate and the Committee instruct the marshal what steps to take to abate the nuisance Seconded by Mr Dietz
Motion Carried

Two petitions signed by sundry citizens praying that the ordinances granting the Richmond Street and Interurban Railway Co. the right to widen the river bridge be passed were presented Mr W. C. Bowman[illegible] was present and made a plea in

behalf of the petitioners. This matter was discussed at length by the Members of the Board, after which Mr Ingersoll made a motion upon which the prayer of the petitioners was granted. Seconded by Mr Mallicoat. The question on the motion was put and the vote resulted as follows, Voting aye Mr Ingersoll and Mr Mallicoat. Voting No Capt Broughton and Col Hall. Motion Lost.

Committee reports were then called for.

Finance Committee Mr Dunn Chairman reports have received Cheque from Big 4 Co for $5 to settle election contest in Clerk Valas reports sale of hay from Cemetery by the Clerk also report of $123.60 Aug 9 62 38 Electric light collections to date also report no funds in treasury.

Mr Committee has report

Law & Ordinance Committee Mr Mallicoat Chairman presented the following report in the matter of Fence.

To the President and Board of Trustees of Cambridge City.

We your committee to whom was referred the matter in controversy now existing between Michael Fenn & who are abutting lot owners against the Pan Handle Railway Company, respectfully report that with the assistance of the City Attorney we have as we believe fully investigated said matter and find 1st that no survey of the premises in question has been presented to us, although we believe one has been made and is in the possession of said Fenn and that therefore we are unable to determine whether or not said Railway Company has encroached upon the property rights of the abutting lot owners, 2d. We further find that the fill on the north side of said railway from Center street east was made by said Company about the year 1853 and at other times since and that said abutting lot owners while said fill was being made, facilly and willingly assisting and did allow to said Company quietly acquiesce in said fill and for that reason among others we think the abutting lot owners should themselves remove the wrong (if any exists) and not seek to hold the Company responsible for their negligence.

We therefore ask the Board to adopt this report so that the matter may be settled

so far as the town is concerned.
(Resp'd)
